## Title I: Input and Revisions

March 26, 2026

### PURPOSE:

**Wilkinson Gardens** receives money from Title I, Part A of the Elementary and Secondary Education Act, most recently reauthorized as Every Student Succeeds Act. This law provides federal funds through the Georgia Department of Education to school systems based on high numbers or percentages of children who meet certain financial criteria. These funds are provided to help ensure that all children have an equal opportunity to succeed in school by meeting the challenging State academic content and student academic achievement standards.”

The federal law requires that each school system receiving “Title I, Part A funds” jointly develop with parents and stakeholders of all participating children. Assistance is requested in planning our family engagement activities and specifically in revising district and school policies, School Improvement Plan, School-Parent Compact, Building Staff Capacity (determining what training our staff needs to promote good school-family partnerships, and determining how best to spend our family engagement funds).

### Title I Parent and Family Engagement Set Aside:

Each district receiving more than \$500,000 in Title I Part A Funds is required to reserve **at least one percent** of its Title I funds to carry out parent and family engagement activities, including those described in the written policy section below. **Ninety (90) percent** of these “set-aside” funds must be distributed to schools, with priority given to “high-need” schools. The law further requires that parents and family members of students **must** be included in decisions regarding how these engagement funds are spent.

### Title I funds are used for:

- Teacher and Student classroom supplies
- Online Math, ELA, and Science Resources
- Portable Dry Erase Stands
- Parental Engagement Activities
- Support the School Improvement Plan

We value your input, please complete the Input and Revision survey, and complete the End-of-Year survey. We will use your input to plan for the 2026-2027 school year.
