

EXPLORE THE ARTS WITH crane river THEATER COMPANY

The arts provide a wonderful opportunity for students to explore, create, and have fun. Through music, theater, and dance, kids connect with the universal joy of performing while building confidence and creativity. This exciting camp invites participants to transform the ordinary into the extraordinary. During this summer's production of "The SpongeBob Musical Jr.", participants will experience every step of putting on a show from auditions and casting to rehearsals and a final performance for family and friends on the last day of camp. The kids will bring the world of SpongeBob to life through acting, music, and choreography, all while developing skills in creativity, collaboration, and communication. Specific class content questions should be directed toward Crane River Theater at 627-5796. A \$10 supply fee, which includes a t-shirt, is payable to "Crane River Theater" on the first day of class.

\$150

Let's Make A
MUSICAL!

The SpongeBob Musical Jr.
