CROWN POINT COMMUNITY
SCHOOL CORPORATION

April 28, 2026

Dear CPCSC Families, Staff, and Community,

As we prepare for the 2026-2027 school year, I'd like to share several leadership updates across our district.

We are proud to announce Melanie Pociask as the future principal of Solon Robinson Elementary, and Laura Florek as the future principal of MacArthur Elementary. Both will begin their new positions on July 1st. Ms. Pociask and Ms. Florek both bring administrative experience and a clear commitment to our students and staff.

These transitions also give us the opportunity to take a thoughtful look at our overall administrative structure. In response to changes in funding, and by filling these roles internally, we are able to reduce the total number of administrative positions across the district while still maintaining strong leadership.

As part of this shift, four elementary schools will return to a shared assistant principal model. Solon Robinson Elementary will share an assistant principal with Lake Street Elementary, which we are excited to announce will be Kelly Wade, current assistant principal at Lake Street. MacArthur Elementary will share an assistant principal with Eisenhower Elementary, and I'm pleased to tell you this will be Eisenhower's current assistant principal Tyler Radtke. This shared approach has worked well for us in the past and allows us to continue supporting students and staff while being mindful of our resources.

Later this year, we will also announce the reduction of a central office administration position as anticipated retirements and restructuring unfold.

Although change can sometimes bring new challenges, we are committed to supporting our students and making responsible decisions that position our district for the future. We are confident in each of the leaders stepping into these roles.

Thank you for your continued support of our district and its students.

Sincerely,

Dr. Todd Terrill, Superintendent
