School Accountability Report Card

Reported Using Data from the 2015-16 School Year

Published During 2016-17

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

School Description and Mission Statement (School Year 2016-17)

The Academy of Careers and Exploration exists to prepare every student to learn and work in the 21st century. At the heart of this mission is our belief that all students can learn, a belief that is coupled with our commitment to high standards of learning that we expect all students to achieve.

Academy of Careers and Exploration School provides a warm, stimulating environment where students are actively involved in learning academics as well as positive values. Students receive a standards-based, challenging curriculum by dedicated professional staff and based on the individual needs of the students. Ongoing evaluation of student progress and achievement helps us refine the instructional program so students can achieve academic proficiency. We have made a commitment to provide the best educational program possible for Academy of Careers and Exploration School's students, and welcome any suggestions or questions you may have about the information contained in this report or about the school. Together, through our hard work, our students are challenged to reach their maximum potential.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the Basic State Priority (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

Teacher Credentials

School Facility Conditions and Planned Improvements (Most Recent Year)

Helendale School District takes great pride and effort to ensure that all schools are clean, safe, and functional through proper facilities maintenance and campus supervision. Academy of Careers and Exploration School's original facilities were built in 2010 and ongoing maintenance and campus improvements ensure facilities remain up to date and provide adequate space for students and staff. The Academy of Careers and Exploration facilities are routinely inspected by the facilities and maintenance departments. District maintenance and site custodial staff ensure that the repairs necessary to keep the school in good condition are completed in a timely manner.

A work order process is used by school and district staff to communicate non-routine maintenance requests. Every morning before school begins, the custodian inspects the facilities for safety hazards or other conditions that need attention prior to students and staff entering school grounds. One full-time day custodian and one part-time evening custodian are assigned to Academy of Careers and Exploration School. The day custodian is responsible for:

- General grounds maintenance
- Lunch area setup/cleanup
- Restroom cleaning
- Trash removal

Restrooms are checked regularly throughout the day for cleanliness and subsequently cleaned as needed. The evening custodian is responsible for:

- Classroom cleaning
- Common use area cleaning
- Office area cleaning
- Restroom cleaning

The principal communicates with the custodial staff as needed concerning maintenance and school safety issues.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. The CAAs have replaced the California Alternate Performance Assessment [CAPA] for ELA and mathematics, which were eliminated in 2015. Only eligible students may participate in the administration of the CAAs. CAA items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

Opportunities for Parental Involvement (School Year 2016-17)

Parents are encouraged to get involved in their child's learning environment either by volunteering in the classroom, participating in a decision-making group, or simply attending school events. Parents are encouraged to join the PTO and School Site Council.

State Priority: Pupil Engagement

The SARC provides the following information relevant to the Pupil Engagement State Priority (Priority 5):

- High school dropout rates; and
- High school graduation rates.

School Safety Plan (School Year 2016-17)

The Comprehensive School Site Safety Plan was developed for Academy of Careers and Exploration School in collaboration with local agencies and the district office to fulfill Senate Bill 187 requirements. Components of this plan include child abuse reporting procedures, teacher notification of dangerous pupil procedures, disaster response procedures, procedures for safe arrival and departure from school, sexual harassment policy, and dress code policy. The school's most recent school safety plan was reviewed, updated, and discussed with school staff in February 2017.

Types of Services Funded (Fiscal Year 2015-16)

The Academy of Careers and Exploration offers numerous services for the variety of students who attend the school. Students are encouraged to take required courses if they plan on attending a four-year college or university. The school is the process of increasing course offerings that comply with the A-G requirements for the UC/CSU systems. In addition students in grades nine through twelve receive counseling from school personnel regarding career paths and courses of study. During their freshman year, students meet with the academic counselor to discuss their four year plan. The counselor meets at least once a year with each student to follow-up on their progress in meeting graduation requirements and career objectives. The school offers teachers designated to assist English Learners, as needed. Teachers collaborate in SSTs or IEPs to assess students' performances who require additional services. Additional servicing may be provided by the school's RSP teacher or provided through SELPA and/or San Bernardino County Services.

Professional Development (Most Recent Three Years)

From 2013-2016, the Academy of Careers and Exploration held multiple staff development days devoted to:

- Student Engagement
- Assessments
- Textbook Adoption
- Differentiated Instruction
- WASC Accreditation process, preparation, and procedures

Decisions concerning selection of staff development activities are performed by all staff using tools such as teacher input and data analysis to determine the areas in which additional teacher training may enhance classroom instruction and increase student achievement levels. Academy of Careers and Exploration supports ongoing professional growth throughout the year on minimum days. Teachers met in both grade level and department level teams to conduct data analysis to identify areas of need. Teaching staff are provided the opportunity to participate in district-sponsored staff development workshops or training session as 1) a supplement to site-based staff development, 2) for reinforcement of or follow -up on previous training, or 3) follow -up training for newly implemented programs/curricula. From 2013-2016, the Academy of Careers and Exploration teachers attended the following events hosted by the Helendale School District:

- PBIS (Positive Behavior and Supports)
- Legal/Due Process (Web-IEP)
- Illuminate data System for assessments, assignments, and parent/student portal
- LCFF & LCAP
- ERW C course sponsored by the CSU
- CTI Induction Training: CTI Support Provider Follow Up Sessions
- Common Core Implementation for ELA Teachers
- Safety Plan Training
- Singapore Math
- 6+1 Traits for Writing
- Mental Health First Aid
- Probationary Teacher Induction
- Common Core Implementation for Math
- Go Math Curriculum Training

Academy of Careers and Exploration offers support to new and veteran teachers through peer coaching and mentoring. Instructional aides are provided targeted training focused on teaching strategies and curriculum content. Substitute teachers are invited to participate in designated staff development activities. All staff are encouraged to attend professional workshops and conferences. Classified support staff receive job-related training from department supervisors and district representatives.
