How To Create A Project Sketch Within Dodge County Beacon

Step 1: Open Dodge County Beacon Tool (see link):

https://beacon.schneidercorp.com/Application.aspx?AppID=1209&LayerID=36488&PageTypeID=1&PageID=13919

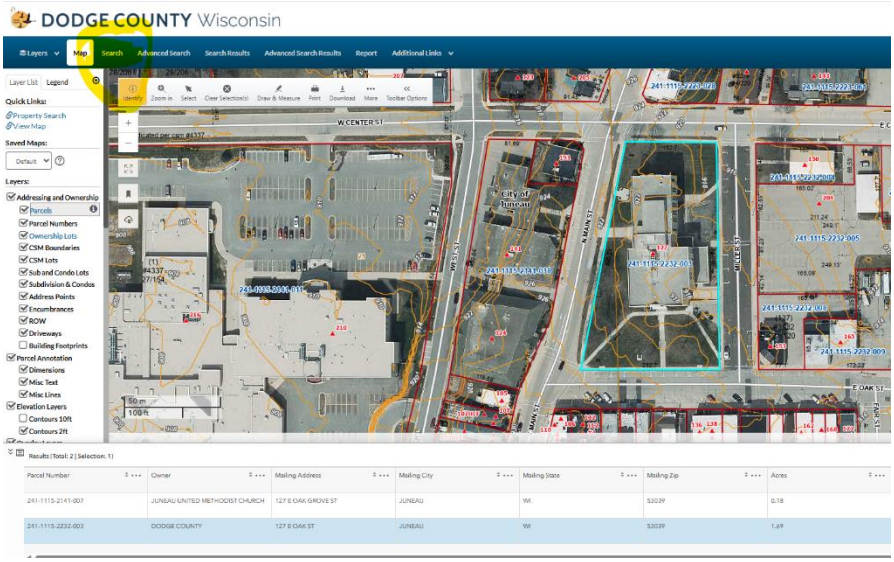

A: The map of Dodge County should appear after the link has been opened

Step 2: Select your parcel/address (see steps A & B in images below)

A: Select “Search” in top left-hand corner and type in your address or parcel identification number.

B: Toggle back to the map (top-left hand corner) after parcel has been selected

Step 3: Use the Draw/Measure Feature to draw your proposed project

A: Select Draw/Measure Feature and draw a polygon of the proposed project on your desired parcel.

B: Select “Print” and create a PDF of the parcel with the project sketched out onsite.

C: Download the PDF and upload the PDF into your GeoPermits Land Use Permit Application.
