FOR IMMEDIATE RELEASE

Northeast Wisconsin Schools Unite to “Sting Cancer”

ASHWAUBENON, WI — April 28th, 2026

The mission to combat the impact of cancer continues as Sting Cancer, a student-led club, announces its upcoming annual press conference and statewide awareness initiative. Comprised of students, teachers, and staff, the club remains dedicated to supporting those affected by cancer through community outreach and events. It seeks to reduce the emotional and social effects of cancer on survivors and their loved ones.

Community Press Conference

On **Wednesday, April 29, 2026, at 4:30 PM**, the Ashwaubenon School District’s Sting Cancer chapter will join forces with other local chapters at the **Ashwaubenon Community Center**. This event serves as a platform to highlight the organization’s ongoing efforts to provide social and collaborative support to students, families, and cancer survivors.

Local families and community members are invited to attend to learn more about the organization's mission. Pre-registration is required for all attendees to ensure an accurate headcount for food and refreshments (See attached flyer).

In addition, the Sting Cancer chapters call upon all residents to wear yellow this Friday. This show of solidarity aims to spread a message of hope and collective strength, reminding patients and their families that "nobody fights alone."
