## PBIS

We are focusing on our culture blueprint to help support our students in becoming the best that they can be. At the end of each quarter, we have a big reward for all students who are shining in these areas. Students who have major office referrals, consistent classroom referrals, or F's may be in danger of being excluded from the reward.

## Outside Recess

As the weather stay consistently cold, we ask that you mindfully dress your children each morning. We do our best to have outside recess as much as possible, and monitor the weather and temperature and make a judgemental call based on that information.

Please send your child with a winter coat, hats, gloves, and boots so they can be adequately dressed when we go outside.

If you do not have winter gear, please contact our school counselor, Mrs. White.
