

HOME & SCHOOL

Ellsworth Elementary School

Dear Ellsworth Parents and Guardians,

Welcome to Ellsworth Elementary! We are thrilled to open our doors to new students each year and look forward to an exciting journey together. As one of the smaller schools in the district, Ellsworth fosters a strong sense of community, where collaboration between parents, guardians, teachers, and staff plays a vital role in our students' success.

There are many ways for you to get involved! Keep an eye out for a volunteer survey during the first few weeks of school. A great way to stay engaged is by attending our monthly Home & School (H&S) meetings—District 203's version of PTO. These meetings are open to all parents and guardians, giving you the opportunity to contribute to decisions that impact our students and school. The H&S works hard year-round to enhance learning experiences, organize fun activities, support classroom events, and help fund field trips and assemblies. Meeting dates will be posted on the Ellsworth website.

We also invite you to our **First Day of School "Second Cup of Coffee"** event, where you can meet members of the H&S Board, teachers, staff, and our principal.

Thank you for being part of the Ellsworth community. Your participation makes a difference, and we can't wait for a fantastic year ahead!

Sincerely,

The Home & School Executive Team

Shannon Dick, President

Maria Orjuela, Vice President

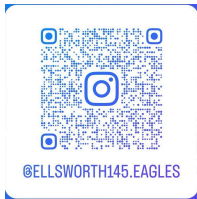

Melissa Erickson, Secretary

Alicia Hernandez Grande, Treasurer
