

UPPER SCHOOL

MACLAY SCHOOL
Be Inspired. Be Determined. Be Unstoppable.

Dear New Maclay Families,

Welcome to Maclay School! We are delighted to welcome you and your student to our community and are excited to begin this next chapter together. We look forward to getting to know your family and supporting your student's academic journey at Maclay.

One of the first steps in preparing for the upcoming school year is completing your student's course requests. Each student is assigned a designated school counselor who will serve as your partner throughout the advising process.

We ask that families **schedule an advising meeting with their designated counselor** to review course options, graduation requirements, and individual academic goals:

[Rising 9th-10th graders – Mrs. Angela Croston](#)

[Rising 11th-12th graders with last names A-K - Mr. Daron Gallina](#)

[Rising 11th-12th graders with last names L-Z – Mrs. Lauren Furman](#)

To make the most of your advising meeting, please take time to [review the Maclay School Curriculum Guide](#) in advance. Becoming familiar with course offerings and program expectations will help facilitate a meaningful and productive conversation during your meeting.

Your counselor will guide you through the course request process, answer questions, and help ensure that your student's schedule aligns with their interests, strengths, and long-term goals.

We are truly excited to welcome you to Maclay School and look forward to building a strong partnership with your family. If you have questions at any point, please do not hesitate to reach out—we are here to help.
