

LIBERTY HIGH SCHOOL PARKING

Parking on school property is allowed for those students who purchase a parking pass. Parking passes are available to only Juniors and Seniors at Liberty High School. In order to purchase a parking pass, students along with their parents must read the following information and agree to all terms.

Cost for parking passes is \$65.

In order to obtain the pass, you must have paid the parking pass fee and students must provide the following items:

1. Photo of Valid Driver's license, not a permit
2. Photo of Valid proof of Insurance
3. License Plate information (if temp tag, must provide license information when obtained).
4. Year, make, model and color of vehicle they will be driving.

If there are any changes to any of the items above, it is the student's responsibility to update them immediately. If they are not updated, the student could be issued a ticket.

Posted on the parking page is a picture of Liberty High School Parking Lot. The picture shows where students are able to park and where they cannot park. The Visitor's Lot is NOT for student parking unless cleared with Security or Admin. Students may park in the PAC lot and enter through the PAC doors as there will be a Security Check-in Station located there.

Fines for parking violations will be as follows:

1. First offense is \$10, second offense is \$25 and third offense is \$50. Parking in a handicapped, visitor, reserved, or staff spots is \$25 first offense and then \$50 for every offense then after. All tickets issued after the third violation will be \$50. Liberty High School reserves the option to revoke parking privileges after the third violation or whenever deemed necessary by the school administration.

2. Tickets include but are not limited to no parking privileges, failure to display parking pass, parking illegally, parking in fire lane or handicapped, parking in reserved spots, parking in visitor's lot, or anything else that would cause issues for parking control. Do not park in any areas crossed off to parking or in any fire lanes.
3. After the third violation or whenever administration deems necessary, vehicles may be subject to a parking boot or towing. If the vehicle receives a parking boot, the student will be responsible for paying a \$50 fine for the ticket issued and a \$50 fine to have the boot removed. The party will also have to pay any current outstanding tickets. If the vehicle is towed, the student will be responsible for towing fees and storage charged by the towing company.
4. All students will be required to pay tickets issued as soon as possible but must have paid prior to graduation in order to receive their diploma.

Acknowledging these terms will serve as your warning. There will be no warning tickets issued. If any students are found in violation of these parking rules, they will be issued a ticket on their first infraction.

Vehicle Searches:

It is a privilege, not a right, to park on school grounds. The school retains the authority to conduct routine patrols of any vehicle parked on school grounds. The interior of a student's automobile on school premises may be searched if the school authority has reasonable suspicion to believe that such a search will produce evidence that the student has violated or is violating either the law or district policy.

Parking passes that are lost will not be replaced. The student will need to purchase another parking pass at the same rate of \$65.

Any and all questions in regard to parking can be directed to the Safety and Security Team. All tickets will be paid through the main office. If there are any unpaid tickets at the end of the year, students will be notified by the office and be added to the debtor's list.

Acknowledging these terms will serve as your warning. There will be no warning tickets issued. If any students are found to not adhere to these rules, they will be issued a ticket on their first infraction.
