

The background is a dark space filled with stars. Various planets are scattered around: a large yellow and orange planet in the top left, a small yellow planet, a red planet, a ringed planet in the top right, a pink and white striped planet on the left, a blue and white striped planet on the right, a green and blue Earth-like planet in the bottom left, a large orange planet in the bottom right, and a small blue planet at the bottom center. Two white curved lines with starheads frame the main title.
