Teachers & Staff

Independent Study & Mentorship

Students are given a second mentorship opportunity in their senior year. Students may shadow within the same field of study or find another field of study.

After completing their first year of ISM, students are encouraged to refine and strengthen their power skills while challenging themselves to research and create a final project at a deeper level.

Additional Tasks:

- Informational Interviews
- Academic Resume
- Professional Senior Expo
- Tri-fold Presentation Board

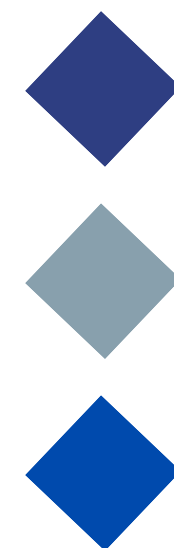

Dates to Know:

- Friday, August 14, 2026--Mentor secured
- Mentorship: August 24, 2026--November 20, 2026
- Friday, December 4, 2026- Mock Senior Expo
- Thursday, December 10, 2026--Senior Expo
- November 30 --December 11, 2026 Final Presentations

AP English Literature

Books are a uniquely portable magic. Stephen King

- AP English Literature is the other high school class required for high school graduation.
- Students can expect rigorous reading requirements, along with critical writing.
- Student can prepare by reading in the summer.

Other High School Classes

AP Spanish and AP Statistics are the other possible high school courses.

Both courses are rigorous and require time, organization, and constant study.
