

Summer Workshop

Join us for the second annual Film Production & Broadcast Journalism summer camp. Geared for rising middle school students through high school freshmen, this camp teaches a variety of skills with the help of students in the award-winning Good Morning John Burroughs program. New this year: a two week camp so students can gain more knowledge and make more projects. Week 1 introduces basics & broadcasting, week 2 is all about film.

L WEEK 1: JUNE 8 - 11
WEEK 2: JUNE 15 - 18
8:30 AM - 1:00 PM
