

All grade levels: In order to avoid purchasing any supplies that will not be used by the student, this list has been customized to address classroom needs at the student's campus. Purchase supplies listed on the chart for the appropriate grade level of the student. In addition to the supplies listed below, your campus may ask that you purchase additional campus-specific items. Due to safety and health reasons, teachers and parents are asked to supervise the student's correct use of all school supplies.

It is expected that when supplies are depleted, they will be replaced. Your child's teacher will inform you when supplies need to be replaced.

Parents: Do not purchase items unless indicated on the chart.
