

Capital School District

Board of Education Policy

Section: Board Governance
Title: Advisory Committees
Policy #: 100-22
Date Approved: 06/20/12
Date Revised: 06/20/12

Purpose:

The purpose of advisory committees is to provide information to the district and Board of Education regarding policies, practices, or programs or to assist in making decisions important to the well-being of the district.

ADVISORY COMMITTEES

Advisory committees will be composed of a body of stakeholders representing a cross-section of the district and community. The committee will study the research and facts regarding the required decision and then make recommendations to the district or Board of Education for consideration.

APPOINTMENT OF ADVISORY COMMITTEES

The Board of Education shall act as a committee of the whole in all matters pertaining to business and educational policies. However, study and advisory committees may be formed by the Board of Education as they are needed or required for the proper functioning of the Capital School District. Committees that are required for Federal projects, by law, will be formed in accordance with said law.

TERM OF ADVISORY COMMITTEES

Members of advisory or study committees shall serve for duration of time to be set by the Board of Education.

VACANCIES ON ADVISORY COMMITTEES

All vacancies which occur on Board of Education committees shall be filled by the Board for the remainder of the term of the committee.

CONSULTANTS TO THE BOARD OF EDUCATION

From time to time as need requires, the Board of Education may attain the services of qualified consultants to supplement administrative staff of the district in solving educational problems.
