

PUHSD Capital Funding: A Strategic Framework

CFD 91-1: The Precision Tool

Restrictive funding tied proportionally to student growth impacts within specific geographical boundaries.

CFD 92-1: The Flexibility Tool

Broad authority for capital projects, modernization, and districtwide shared-use facilities.

Developer Fees: The Growth-Only Tool

Restricted to new construction and refurbishment; strictly excludes maintenance and movable equipment.

Funding Source Eligibility Matrix

	CFD 91-1	CFD 92-1	Developer Fees
New Classroom Construction	 YES	 YES	 YES
Deferred Maintenance (Roofs/Floors)	 IF CAPITAL	 IF CAPITAL	 NO
Movable Furniture (Desks/Chairs)	 NO	 NO	 NO

Critical Compliance & Decision Rules

The Proportionality Requirement

CFD 91-1 spending must match the percentage of students served from that specific boundary.

The "Fixed vs. Movable" Furniture Test

Only fixed items (built-in cabinetry, whiteboards) are eligible; freestanding furniture is always ineligible.

Audit Defensibility via Documentation

Project files must include the four-question decision framework and enrollment data for proportionality.
