Highlights of the Week

Whole School Morning Meeting

It was wonderful to bring our 4PK-2nd graders together for our morning meeting. Highlights included:

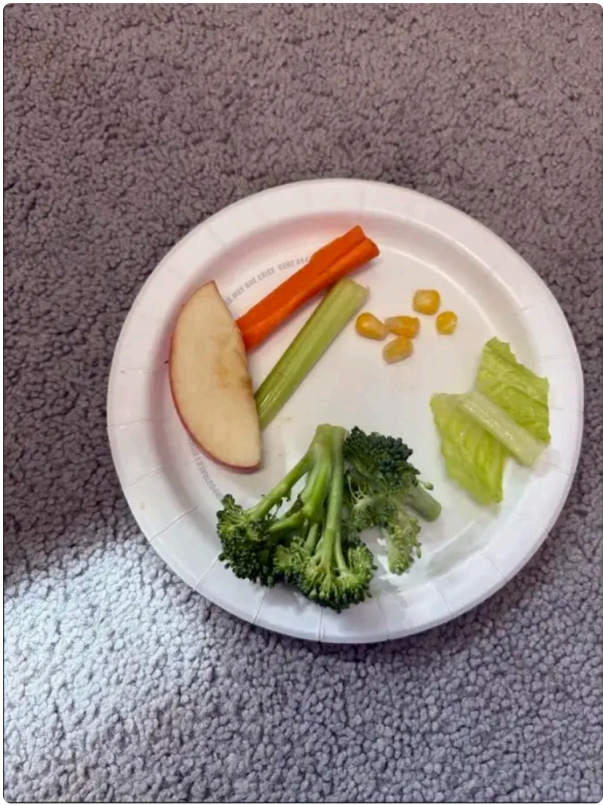

- A report on Student Council's recent activities (making bird feeders and the Hornell Area Humane Society donation)
- Special area awards
- Celebrating the cross-age buddy activity from March focused on The Color Monster
- Danny Go video ("The Millipede March") in honor of Earth Day

The Millipede March

Ms. Will - 3PK Highlight of the Week

We have been learning all about signs of spring and plants in our classroom. We explored the different parts of a plant, including roots, stems, and leaves, and discussed what plants need to grow, such as sunlight, water, air, and soil. We wrapped up our learning by joining Mrs. Sick's class to investigate the question, "Can we eat plants?" All of 3pk had a great time sampling a variety of plant foods like carrots, lettuce, and apples, making this a fun and tasty way to connect our learning to real life!

1st Grade REV Theatre

1st graders enjoyed the Aesop's Fables on Stage performance from REV Theatre. The actors used rap, rhyme, and masks to give the famous fables (like The Tortoise and the Hare) a modern twist. Students learned the moral for each tale, such as "honesty is the best policy" and "slow and steady wins the race".

The Color Monster Survey

FROM THE HEALTH OFFICE

The district's School Health Services program supports your student's academic success by promoting health in the school setting. One way that we provide care for your student is by performing the health screenings as mandated by the State of New York.

During this school year, the following screenings will be required or completed at school:

Vision

- Distance and near acuity for all newly entering students and students in Pre-K or Kindergarten, Grades 1, 3, 5, 7, and 11.
- Color perception screening for all newly entering students.

Hearing

- Hearing screening for all newly entering students and students in Pre-K or Kindergarten, Grades 1, 3, 5, 7, and 11.

Scoliosis

- Scoliosis (spinal curvature) screening for all girls in grades 5 and 7, and boys in grade 9.

A letter will be sent home if your student needs follow-up with your healthcare provider. Please call the Health Office directly if you have any questions or concerns.

Sincerely,

Erin Smith, RN

Tardy Arrival (After 7:55 am)

If your child arrives at school after 7:55am, he/she is considered tardy. Please walk your child into the school main entrance to complete an excuse. Then staff will give your child a tardy pass and he/she can walk to class independently.

Absences

Please continue to let us know in advance if your child will be absent from school. You can send a message through ParentSquare to your child's teacher and PS Office. If we don't have a reason in advance, you will receive a message through ParentSquare that we ask you to respond to with a reason for the absence.
