Forge Tuition Assistance
Applies to Traditional Full-Time, Hybrid/Online, and CTE programs.

Forge tuition assistance typically ranges from 5–40% of annual tuition, depending on your financial need. Final award amounts may be adjusted based on other Forge scholarships and discounts so that the total combined awards do not exceed 40% of tuition.

Generally, if your tuition costs account for more than 10% of your total income, you are encouraged to apply to see if you qualify.

How to Apply for Forge Tuition Assistance
Complete the FACTS Grant and Aid Assessment at www.factsmgt.com/aid. The application fee is $40 and is non-refundable. You will need to submit either your 2024 or 2025 tax return, W-2 forms and supporting documentation for non-taxable income. The turnaround time for determining aid is approximately 2-4 weeks after your application is complete. FACTS Grant and Aid does not establish any income guidelines or have restrictions on who should apply for tuition assistance.
