RESPONSES TO VENDOR REQUESTS FOR INFORMATION

Question: Will the bid opening be public, and if yes, will we be allowed to see other submitted bid prices?

Answer:

Pursuant to the RFP documents, the District must conduct a formal evaluation to determine the most advantageous proposal, with price and all other factors considered. Pricing alone is moot until this evaluation is complete; therefore, proposals remain confidential while the evaluation committee scores each submission from May 5 through May 8. The District's Notice of Intent to Award is scheduled to be posted to the District website on May 11. Final scoring results will be included.

NO OTHER MODIFICATIONS

Except as modified above, no other portion of the Request for Proposals is modified by this Addendum No. 1.
