

GoGuardian Parent App

Stay connected to your child's Chromebook activity | Free on iOS 8+ & Android 4.1+

POBCSD is rolling out the **GoGuardian Parent App** — a free mobile app that gives families visibility into student Chromebook activity and optional controls during at-home hours. Setup takes less than five minutes.

WHAT'S AVAILABLE TO YOU AT POB

ENABLED

Activity Summary

View your child's Top 5 Websites, Documents, Apps & Extensions.
Filter by Last Day, 7, 14, or 30 Days.

ENABLED

Website Filters

Block specific websites on the school Chromebook at home.
Enter a domain — takes ~2 minutes. Wildcards not supported.

ENABLED

Time Limits & Internet Pause

Pause internet (15 min – full day) or schedule recurring offline hours. Cannot be activated during school hours.

NOT SHOWN

Teacher Interventions / Activity Log

Detailed browsing history and teacher actions not shared. Top-5 summary only. Cannot override school-level filter policies.

HOW TO GET STARTED — 4 STEPS

1

Download

Search **GoGuardian Parent** in App Store or Google Play. Free.

2

Enter Email

Use email on file in **Infinite Campus**. Tap Continue.

⚠ Not recognized? Contact school office.

3

Verify

Tap **"Verify your email"** or use verification code + PIN.

🔍 Check spam folder.

4

Agree & Explore

Scroll Terms to bottom, check box, tap **"I Agree."**

Button frozen? Keep scrolling in the text box.

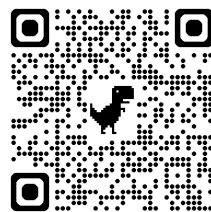

DOWNLOAD THE APP

Apple App Store (iOS)

Scan QR code or search "GoGuardian Parent"

Tap/click to open App Store ↗

Google Play (Android)

Scan QR code or search "GoGuardian Parent"

Tap/click to open Google Play ↗

Important: Your login email must match exactly what's on file in **Infinite Campus**. Controls apply to **at-home hours only** and cannot override the school's filtering policies. For help, submit a ticket at tickets.pobschools.org.
