Presents*

*Senior  
Scholarship &  
Awards Night*

*May 5th, 2026*

# *Welcome!*

Good evening and thank you for spending your evening with us celebrating the significant achievements of our Reed High School Seniors!

A special thank you to our community members who not only have granted scholarships to our students, but who have taken time tonight to present these awards in person. Some of these members have multiple awards ceremonies in one evening, so we appreciate them making the special effort to be with us tonight.

While we will do our best to honor your time and keep the ceremony short, we appreciate your staying for the entire program. These students have worked hard towards receiving scholarships and deserve to be recognized this evening.

Thank you and enjoy,

*Reed High School Scholarship Committee*

2026 graduating seniors!*

## *Thank You*

Thank you again for taking the time to celebrate the accomplishments of these amazing students!

As a committee, we do our absolute best to ensure that students get proper recognition. We spend a great deal of time putting the program together and a lot of effort checking names and scholarships.

We know how important it is to recognize our students properly. However, mistakes still happen. If you find an error with your recognition, please let us know and we will be happy to print a corrected version for you.

Thank you and have a wonderful evening,  
Reed High School Scholarship Committee
