BACKGROUND INFORMATION

The Principal position at Steilacoom High School was posted on April 11, 2026, and shared through professional networks, including the Washington Association of School Administrators and the Association of Washington School Principals.

As part of the process, students, staff, and families were invited to share priorities for the next principal through a survey. The survey was open through April 17, and the feedback—along with input from staff listening sessions held on April 20—helped shape candidate screening and interview questions.

A total of 26 applications were received. Screening began on April 21, with applications reviewed using a process informed by stakeholder feedback and district priorities. Initial reference checks were conducted during this phase. Through this process, four candidates were advanced to interviews.

Interviews were held on April 27 and included both a staff panel and a student panel. Finalists also participated in a community forum on April 30.

RECOMMENDED ACTION:

It is the recommendation of the Superintendent to approve the hiring of the Principal at Steilacoom High School.
