

School Site Council
Monday, April 27th, 2026
3:00pm

Present were: Chris Perry, Samantha Haley, Tina Wheeler, Anja Jones, Amish Parashar Christina Vasquez & Rhodora Garcia

- I. The March 9th agenda was reviewed and approved.
 - A. The minutes from the last School Site Council were reviewed and approved.
- II. Principal Haley began to review the LCAP presentation she is presenting to the school board next week.
 - A. Goal 1 was reviewed: Academic Achievement
 1. ELA Scores
 - a. Per the Fastbridge test Kindergarten had the biggest dip
Two retired teachers are coming once a week to help out in one of the Kinder classrooms.
 - b. 1st - 4th had small dips, 5th stayed the same.
 2. Math Scores
 - a. Some gains - more consistent across the board
 - aa. Need a parent Math Night to help explain the Eureka Math
 3. Reading Intervention:
 - a. 38 students enrolled (5 qualified for I.E.P.'s and will exit, 6 exited from growth)
30 students are English Language Learners
 - b. One I.S.S. teacher left in January
 - c. Students in After School ELD class had time each week in Makerspace which helped with their ELPAC testing.
 4. Lexia: Digital Reading Support
 - a. Teachers need more training.
 - B. Goal 2: Professional Development & Instructional Growth
 1. Two teachers went to RIGOR training.
 2. Other items of learning: Project Lead the Way, GLAD Training (refocusing next year) Fisher & Frey Book Study, Instructional coaching & Classroom support, Makerspace.
 3. Teacher Survey Highlights:
 - a. Strengths: Good grade level teams, Lexia, Second Step, PLTW & Makerspace
 - b. Needed Support: Differentiated instruction, Math Intervention, Structured coaching, GLAD refresher, & support for managing complex behavioral needs.
 - C. Goal 3: School Climate Survey - Grades 3-5
 1. Survey was overall the same or better in all areas.
 - D. Goal 4: Behavior System & Student Wellness
 1. What worked: Grade level circles (good but not consistent this year), Buddy classes, student campus jobs, Small group counseling: one counselor here 2 days a week plus every other Wednesday, Tokens & school store.
 2. Discipline and student safety were parents upmost priority
 - a. Need consistent behavior consequences - more noon duty supervision
 - E. Family Survey:
 1. 88.8% of families completed the survey. Rated Fammatre good or excellent this year.
 - a. Things parents liked: Teacher dedication, STEM programs (Art, Music, Makerspace, I.S.S.)
 - b. What is needed: Consistent communication, Gifted program, Breakfast options, more academic updates & Conflict Resolution.
- III.. Any suggestions or changes needed to LCAP presentation?
 - A. Less negative input, summary slides can be redone, highlight Home & School Club involvement.
- IV. Next year update: Student body count up to 550 with Sartorette's closure. 4 first grades, all other grades 3 classes
- V. Next meeting date and time: Next school year - principal will call for final LCAP signatures once approved by the board.
