

Digital Learning Community

St. James-Santee has a one-to-one technology program, ensuring every scholar has access to an electronic device.

Small Class Sizes

Personalized attention for every student.

Innovative Facilities

Science labs, robotics, art studio and more!

Environmental Stewardship

Meaningful, hands-on learning experiences rooted in the surrounding forest, wetlands, and coastal ecosystems.

Home of the Hornets

Our mission is to educate and motivate, while preparing for success and not settling for anything less. All students. All day. All the time.

Campus

St. James-Santee is located minutes from Bulls Island and the Cape Romain National Wildlife Refuge, and is surrounded by the Francis Marion National Forest, creating a unique learning environment rich with real-world, hands-on experiences.

We serve scholars from Head Start through 8th grade. Our Head Start program supports early development from six weeks to four years old, building a strong foundation that continues through middle school.

We are proud to be the first school in South Carolina to earn Green Flag status through the National Wildlife Federation, reflecting our commitment to environmental stewardship and place-based learning.

St. James-Santee Elementary Middle School

2025-2026

LaCarma McMillan, Principal
Rudell Burch, Assistant Principal
Tracee Coleman, SIC Chair

8900 Highway 17 North
McClellanville, SC 29458
Phone: 843-723-0863

Enrichment Activities

In addition to the rigorous core curriculum, St. James-Santee is dedicated to enhancing student creativity, exploration, and academic success. We offer students:

Band
 Gifted and Talented
 Multi-digital Media
 EcoSchools Program
 Jr. Beta Club
 Honors Society
 Project Lead the Way
 100 Mile Running Club
 Biking
 Field trips
 After school programs

Hornet HERO

St. James-Santee incorporates the PBIS approach throughout the day. We focus on creating a positive environment where all scholars will learn. Every scholar strives to be a Hornet HERO.
