**TOWN OF SUFFIELD
Proposed Budget
Fiscal Year 2026-27**

Introduction

The Town Meeting to consider the budget will be held at the Suffield Middle School on Wednesday, May 6, 2026 at 7:00 p.m. At this meeting, the proposed budget will be considered for approval. This summary package provides an overview of the proposed budget and detailed budget information.

The proposed budget will require a mill rate of 24.10 mills. The increase in the mill rate is primarily the result of contractual wage and related benefit increases for both the General Government and Board of Education. Also contributing to the increase are the impact of inflation on expenses such as utilities, as well as higher general transportation costs for the Board of Education. On the revenue side, payments from third parties, primarily the State of CT, are not keeping up with inflation. The Net Collectible Grand list increased 1.05%.

TOWN OF SUFFIELD

Proposed Budget

Fiscal Year 2026-27

Highlights

Presented on the following pages are the details of the proposed budget for the Town of Suffield for the upcoming fiscal year of 2026-27. This was a collaborative effort of all Boards, Commissions, departments of the Town and the Board of Education.

Initial budget requests were submitted by all departments and commissions and compiled by the Finance Department. The First Selectman reviewed each budget with the department, making revisions. A consolidated budget was submitted and approved by the Board of Selectmen at their February 18, 2026 meeting. The Selectmen's recommendations were presented to the Board of Finance on March 2, 2026. The Board of Education approved their budget at their March 16, 2026 meeting and presented their budget to the Board of Finance on March 30, 2026. The following proposed budget was approved by the Board of Finance at their April 6, 2026 meeting.

The Advisory Commission on Capital Expenditures (ACCE) prioritized projects and submitted a list of recommended capital expenditures based on their review of projects submitted by town boards and commissions. The ACCE recommendations were approved by the Board of Selectmen, and forwarded to the Board of Finance for approval. The amended project list is included in the proposed budget.

Funding from the State of Connecticut is budgeted based on the latest available information.

The Town Meeting is scheduled for May 6, 2026 at 7:00 p.m. at the Suffield Middle School. All meeting documents will be posted to the Town's website www.suffieldct.gov/government/agendas-minutes.
