April 2026: Quarter 3 Report Card & Important End-of-Year Updates

Dear Parent, Guardian, or Caregiver:

It is hard to believe that we are nearing the end of the 2025–26 school year! Please review the below letter and enclosed documents for important information.

Quarter 3 Report Card

Your student's 3rd Quarter Report Card is enclosed. In order for a student to obtain course credit, they must earn a final average of at least 65. Information regarding our 2026 Summer School Program will be sent at the end of June to those students who are expected to attend Summer School in order to recover lost credits. Summer School will take place Monday through Thursday from July 13, 2026 through August 17, 2026.

Regents Exams

Students are required to pass certain Regents Exams in order to graduate. All students who are enrolled in a Regents-level class are expected to take the associated exam.

Attached is the June Regents Exam schedule. Students should report to school only on days they are scheduled to take an exam. This includes Tuesday, 6/9 and Wednesday, 6/10. The last day of school at BHS is Tuesday, 6/16. Students in Ms. Cady's ADL Class will report to school as they normally do on Regents days.

On 6/9 and 6/10, students in BOCES CTI and Bard Early College should attend CTI or Bard unless they are taking Regents Exams at BHS. Transportation will be provided as usual to BOCES. Friday, 6/12 is the last day of CTI and Bard classes.

Please note the following regarding transportation for Regents Exams:

- 7:30 a.m. Exams: Students who normally take the bus should be at their bus stop at the normal time. Students who do not have an afternoon exam will be bussed home after 10:30 a.m.
- 11:30 a.m. Exams: Students who normally take the bus should be at their bus stop between 10:25-10:45 a.m. Students can take the bus home at 2:10 p.m. or 3:45 p.m.

Meals will be available in the cafeteria for students who are testing.

Please encourage your student to attend our review sessions. The dates and times for these review sessions are linked on the main page of the BHS website, included in our weekly Friday email update, and posted on flyers around the school.

This is a busy and exciting time of year for our students. Please review the Friday email update each week for information on the many events and celebrations that we have scheduled over the next two months.

We also know that this time of year can be challenging for students as they strive to maintain or raise their grades, prepare for exams, and finalize their college decisions or other postsecondary plans. Please encourage your student to reach out to us if we can offer them any support, or please feel free to contact us directly.

Thank you for your support and partnership this school year.

Sincerely,
