

SUMMER READING PROGRAM

2026 MRIS

for upcoming MRIS Students

This summer, Montgomery Ridge will offer a Summer Reading Program for rising 4th graders. Students are encouraged to read four books within their ZPD (reading range). The goal is for each student to read all four books and pass the corresponding AR tests.

Students who achieve this goal will be invited to a Chick-fil-A lunch at the start of the new school year.

AR quizzes will be available to take at home from Monday, May 25 through Thursday, June 18. After June 18, AR will not be accessible again until school resumes in August. Students will also have the option to complete AR tests during the first two weeks of school in August for their summer reading credit.

- 1) Read FOUR or more books this summer
 - Books with 250+ pages are equal to 2 books
 - Books with 500+ pages are equal to 3 books
 - Books with 750+ pages are equal to 4 books
- 2) Record your summer reading on the back of this letter
- 3) Be sure to bring this reading log back to MRIS the first week of school
- 4) Get ready to party and possibly win some great prizes!
