By sponsoring the 2027 Summit, companies have the opportunity to:

- **Reach a National Audience** – Engage directly with decision-makers and classroom leaders representing schools from across the United States.
- **Support Core Knowledge Education** – Align your brand with schools committed to high academic standards, classical content, and civic virtue.
- **Demonstrate Leadership in Education** – Showcase your products, services, and solutions to educators who are implementing one of the nation's most respected curricula.
