

Communication Tools at CCCSD

PARENTSQUARE

Mass Communication

Regular updates, attendance notices, and urgent alerts from the district and building are shared through email, text and calls.

Classroom Communication

Teachers/staff can share class updates with students and families, including photos and flyers, appointment sign-ups and item/volunteer requests.

Two-way messaging

Families can directly message teachers/staff using the chat feature, which includes translation to the users preferred language.

Group Communication

Families/students can join teams, clubs and organizations for updates directly related to their interests and activities.

INFINITE CAMPUS

Student Information System

Demographic and contact information is updated for each student.

Report Cards/Grades

Grades should be updated in IC and families can view report cards within the Parent Backpack.

Attendance

Teachers/staff should update student attendance information within IC.

Bus Routes

Transportation information will be updated for students in IC, including route information.
