Land Before 4H Dig It

9:00am-12:00pm

Step back in time to a world where dinosaurs roamed the earth and adventure waited around every corner! At Land Before 4-H: Dig It!, campers will become junior paleontologists as they explore the prehistoric past through hands-on activities, creative challenges, and high-energy games. Youth will dig for fossils, hatch dinosaur eggs, erupt mini volcanoes, and discover what life may have been like millions of years ago.

Wednesday, June 17

There's No Place Like 4-H

9:00am-12:00pm

Follow the yellow brick road to a day full of adventure, creativity, and 4-H fun! At There's No Place Like 4-H, campers will step into a magical world where they'll explore courage, kindness, teamwork, and imagination through hands-on activities and exciting challenges.

Saturday, October 22

Cloverbud Inside 4-H: The Emotion Lab

9:00am-12:00pm

Cloverbuds will explore a colorful world of feelings through hands-on activities, creative projects, and fun movement games! At Inside 4-H: The Emotion Lab, youth will discover how different emotions connect to colors, actions, and self-expression.
