

Career LEVELS OF AI USE

LEVEL 0

NO AI USE

You didn't use AI at all - it's all your own work.

Nothing to submit about AI. Just follow the honesty rules.

LEVEL 1

AI FOR BRAINSTORMING

You used AI to get ideas or plan, but didn't copy anything into your final work.

Include a statement saying how you used AI.

LEVEL 2

AI FOR EDITING

You used AI to help make your writing clearer or better, but didn't add anything new.

Explain how AI was used and include links to the chat.

LEVEL 3

AI FOR PART OF WORK

You used AI for some parts of the assignment, but checked and edited the content yourself.

Cite it all. Include chat links. Use MLA or APA style.

LEVEL 4

FULL AI SUPPORT

All elements of the assignment were created using AI. This level will rarely, if ever, be used.

Teacher will explain AI documentation requirements.

REMINDER: If you are not sure what is allowed, ask your teacher. All assignments will be level 0 unless explicitly instructed otherwise.

APPROVED AI TOOLS: MagicSchool Student (K-12th) or Microsoft Copilot (9th-12th)

AI= Any Generative
Artificial Intelligence
