

Dear 8th Grade Families,

We are collecting photos for the **8th Grade End-of-Year Celebration slideshow** and would love your help!

Please read the instructions carefully to ensure your student's photos are included.

Who Can Submit

Due to district file-upload restrictions, **photos must be submitted by logging into the student's LWSD account.**

The form cannot accept uploads from non-LWSD email addresses. Parents/guardians: please work with your student to upload photos and confirm the selected photos are okay to share.

Photo Guidelines

Each student may submit **up to two photos**:

1. **One baby photo** (birth–age 5)
2. **One current or special-interest photo**
 - Photos will be displayed **side by side** with the student's name added by the school.
 - If only one photo is submitted, only one image will appear.
 - Please **do not add borders, text, or graphics**—we will format all slides uniformly.

File Naming Instructions (Very Important)

Name each file using this format: **LASTNAME_FIRSTNAME_##**

Examples:

- Miller_Trisha_01 – Baby photo
- Miller_Trisha_02 – Current photo
- Miller_Trisha_03 – Optional: one image with both photos already combined

Correct file naming helps us ensure accuracy and alphabetical ordering.

Deadline

Friday, May 22 (Firm Deadline)

Slides will be added as they are received (final show will be alphabetical). Please do not wait until the last minute. Families have five weeks to submit photos. Photos will **not** be accepted after the deadline.

Submission Link

(Reminder: you must be logged into the student's LWSD account to submit.)

Permission Notice

By submitting photos, you acknowledge that images will be shared in the **8th Grade Celebration Slideshow**, which may be viewed both in person and virtually by the Evergreen Middle School community. Submission grants permission for schoolwide/community sharing, regardless of “Do Not Publish” status.

Thank you for helping us celebrate our 8th graders!
