ROLE AND PURPOSE

The Teacher Apprentice (TA) is a paraprofessional who participates in a yearlong clinical experience under the guidance of a highly effective Mentor Teacher (MT). An apprentice observes and learns on the job in preparation for a teaching career while earning a degree (typically a bachelor's, but in some cases a master's) and/or certification from the Education Service Center Region 19's Teacher Preparation and Certification Program (TPCP). For a full school year, full-time, the TA works alongside the MT. The TA is actively engaged in as many elements of the classroom as possible from the very beginning of the residency year. The level 5 TA will gradually assume greater teaching responsibilities throughout the residency year.
