

Bobkitten Bulletin

In this bulletin, you'll find all the important kindergarten information—especially details about Jump Start registration. Jump Start is a great way for students to meet our team, connect with peers, and get comfortable in the school before the first day. It also helps us place students in the best classroom environment by matching them with teachers and classmates.

Kindergarten Open House

Kindergarten open house is **August 17th from 5-6 pm**. This is a chance to meet this kindergarten team and see the classrooms and building before Jump Start.

Kindergarten Orientation Appointment

Kindergarten orientation is a 30-minute appointment for you, your student, and their new teacher held during the first week of school. Appointments will be available to schedule on Skyward Family Access from August 31st–September 3rd. Appointments will not be available to schedule until after Jump Start. Orientation is very important to attend. During this time, you'll visit your child's classroom, meet the kindergarten paraeducators, drop off supplies, and ask any questions you may have. Students will also participate in some brief assessment activities. You'll also sign up for your group for Kindergarten Transition Week as well (More details in the next bulletin section).
