Community Eligibility Provision School Year 2025-2026

Dear Parent or Guardian,

We are pleased to inform you that Capital School District will continue its participation in the Community Eligibility Provision for school year 2025-2026, and will continue to provide meals free of charge through the National School Lunch, and National School Breakfast programs.

This means that all enrolled Students of Capital School District are eligible to receive a healthy and nutritious breakfast and lunch at no cost to your household. No further action is required of you. Your child(ren) will be able to participate in these meal programs without having to pay a fee or submit a meal benefit application.

If we can be of any further assistance, please contact us at 302-857-4211.

Sincerely,

Nicola Pippin

Child Nutrition Supervisor
