# GUARDIAN GAZETTE

## **SUPERINTENDENT'S SIGNAL**

It's hard to believe that May is just around the corner. Thank you to all of you who have worked so hard to prepare for the administration of the STAAR test over the past month, from those who are responsible for training staff to those overseeing test taking, and all of you who have worked so tirelessly leading up to the test to prepare our students for the content. And, we appreciate all of our auxiliary and support team members who helped with accommodations and preparing spaces. I'm proud of how you continually work together to support and prepare our students.

Why doesn't Hulk do group projects?
