School District of Springfield Township

Your Child's Online Footprint

The School District of Springfield Township is proud of the programs that they provide to students, families, and the community. The School District of Springfield Township is eager to share the wonderful learning experiences provided in the district with the world at large through the use of our district website. Each person builds their digital footprint when pictures, images, and text are posted about them. The School District of Springfield Township would like to help your child build his or her digital footprint in a positive way.
