Re: Summer School Course Offerings

Students have access to summer course offerings through Lincoln Edge cyber programming. The intent of this option is to recover up to two course credits by completing **Credit Recovery** courses or, in approved situations, students may choose to complete summer coursework for **Credit Advancement**.

Here is a link to our summer school information and application page: [Lincoln EDGE Summer School](#)

There are separate directions for applying if the student is a current or former Lincoln EDGE student.

Please reach out if you have any questions.

Start by talking with your counselor. Students should communicate with their school counselor to determine which course would be beneficial and acceptable. Counselors can recommend the course(s) that best match your academic needs. A school official's signature is required on the enrollment application. Enrollments in summer courses are approved for students who meet the following criteria:

- Students seeking Credit Recovery must have already taken the course but failed to earn the credit.
- Students seeking Credit Advancement must have a need based on future scheduling conflicts or course overload.

Catalog of Courses - [Lincoln Edge Course Catalog](#)

***Lincoln Edge enrollment will CLOSE at NOON on June 12, 2026. Payment due June 15, 2026.**

Summer courses run for 4 weeks - Monday, June 15, 2026 through Friday, July 10, 2026.

The cost of \$180 per course is the student's/parent's responsibility.

Student Name _____ Student Signature _____

Parent Name _____ Parent Signature _____

Identify the planned courses -

Course One _____ Course Two _____

Return this letter to your school counselor either by a hard copy or a scanned email. Then, submit the Lincoln Edge online application found on the [Lincoln Edge Summer School](#) website.

**Upon completion of summer school, Lincoln Edge will notify the GAHS counseling center with final course grades. Courses will be identified as "Cyber" on the school transcript for the 26-27 school year. Additionally, passed Credit Recovery Courses will be identified with (SS) for "Summer School."*
