Madeira School District's Spring Coffee with the Community

Twice a year Madeira City Schools Superintendent Kenji Matsudo invites community members for coffee and conversation about what's going on in the school district. These Senior Citizen Community Coffees are held each fall and spring to give senior residents a chance to stay connected with the schools they were an important part of in the past.

The 2025-2026 spring coffee was held in Medert Auditorium at Madeira High School (MHS) on April 8. Superintendent Kenji Matsudo updated the attendees on upcoming Class of 2026 events, state qualifying athletes and student clubs and groups, and the spring musical, *The Addams Family*. Treasurer/CFO Emily Hauser updated the group on district finances, and Assistant Superintendent Dave Bergan spoke about facilities – including the new scoreboard in the MHS stadium.

"We believe it's very important to keep in touch with the people who laid the strong foundation our schools are built on," Mr. Matsudo stated. "It's always good to talk with the Madeira residents who were previously involved in our schools and share the good things that are happening here now."

The group was made up of community members who were former Madeira staff members, parents & grandparents of Madeira students, as well as Madeira alumni.

Any Madeira senior citizens who would like to be added to the mailing list for future coffees or other district senior citizen events are asked to contact Diane Nichols at dnichols@madeiracityschools.org or 513.924.3707.
