Celebrations	Thunder Basin High School recognized the 2026 Valedictorians and Salutatorians, students who earned their Associate's Degrees through concurrent and dual-enrollment classes, and winter All-State students in performing arts and athletics. Lakeview Elementary Principal Jodi Wilson introduced the Tiger Task Force student members from kindergarten through sixth grade, and each student shared their favorite leadership roles at the school.
Academic Reports	Lakeview Elementary Principal Jodi Wilson shared the school's academic report. Twin Spruce Junior High Principal Eric Stoneking shared the school's academic report.
Board Committee Reports	Employee Recognition Committee: Mrs. Sylte shared that the committee had great success distributing Easter eggs to all district staff, filled with goodies such as free jeans day tickets and candy. At each school, there was one egg with a "golden ticket" that offered a convenience day to one lucky winner. April 15 was the first retiree party at Lakeway Learning Center, honoring and recognizing the dedicated employees retiring this year with 20+ years of service. Cell Phone Policy Committee: The committee is making steady progress on a draft policy. Items discussed included smartwatches, smart glasses, and cell phone options for a complete ban or a ban only during classroom time, a complete ban at the elementary level, and uniform consequences across the District in similar-type schools. Exceptions for the use of cell phones will be made on a case-by-case basis, such as for health issues (diabetes, etc.) and curriculum tools. Specific permission and documentation must be provided. (Examples: photography and journalism). A public hearing will be scheduled before it goes to the Board for approval.
Consent Agenda	A correction to the Human Resources Action was made for Campbell County High School Basketball Coach Cameron Anderson, who was inadvertently omitted. A motion was made by Mr. Christensen and seconded by Mr. Williams to approve all items on the Consent Agenda, with the noted correction to the Human Resources Action. The motion carried unanimously.

Attendance Areas	Mr. Eisenhower shared information on attendance area policies and processes, and reviewed Policy 5035 and Administrative Regulation 5035-R Attendance Areas and Attendance Area Change Request. Mr. Eisenhower provided information on attendance area change requests and processes; clusters; current attendance area maps (elementary-county/city, junior high, high school); current enrollment; and projected enrollment. When reviewing projected student numbers, there is concern that the District's current feeder-	

school system will lead to an imbalance in the near future. The District's responsibility is to keep schools as balanced as possible with minimal disruptions. Possible options include no change, which would lead to an imbalance between schools; moving boundary lines; changing an elementary feeder school, or open enrollment. The committee reviewed all schools, taking into account location/distance to feeder schools, demographics, programming, and growth. After thoroughly reviewing all the options for all schools, the District is considering Conestoga Elementary as the feeder school for Sage Valley. Next steps include a public hearing for input, recommendation, and Board approval.
