The contract term will run from August 1, 2026 - July 31, 2027.
3. Requests for clarification regarding the RFP should be directed to Kevin DiPoalo, Director of Transportation at 610-853-5929. Clarifications will be issued to all vendors receiving the RFP.
4. The School District of Haverford Township School Board reserves the right to waive any or all technicalities in the Proposal.
5. Vendors will guarantee their Proposal prices will remain firm for 60 days from the date of the Proposal due date.
6. Proposals must be submitted for the various types of pricing options specified by The School District of Haverford Township.
7. Required information:
 - a. List of current or previous contracts of similar size as specified in this proposal.
 - b. Location of the Vendor to the M&T Building, 50 Hilltop Rd. Havertown, PA 19083.
 - c. Response time of the Vendor to the M&T Building (bus terminal) in the event of an emergency or a required repair that could disrupt service.
 - d. The ability of a Vendor to assist the District with emergency refueling of vehicles directly from a fuel truck or through other available means in the event of a breakdown or loss of power at the bus terminal.
 - e. Costs quoted by the Vendor to perform the specified LPG (Commodity and Delivery) services.
 - f. Any type of penalty per gallon to be charged to the District by the Vendor for purchasing less than 100,000 gallons of LPG per year.
8. The School District of Haverford Township expressly reserves the right to reject any or all proposals, to waive any informalities or irregularities in the Proposals, and to accept the Vendor

Proposal that the District determines is in the best interest of The School District of Haverford Township. All pricing must be held for 60 days. The School District of Haverford Township reserves the right to negotiate and finalize any terms and conditions with the selected Vendor for the requested LPG Commodity & Delivery Services.

9. The Vendor agrees that if the School District of Haverford Township selects its proposal, then the Vendor will indemnify, defend, and hold harmless the School District of Haverford Township, its employees, agents, directors, and representatives from and against any claims, demands, suits, fines, expenses, or losses of any kind caused by or related to the negligence or willful misconduct of the Vendor, its agents, employees, or representatives.
10. The Vendor agrees that if the School District of Haverford Township selects its proposal, then the Vendor will provide the School District of Haverford Township with insurance certificates reflecting the coverages, limits, and other provisions set forth in Exhibit A.

12. The School District of Haverford Township is not liable for any cost incurred by any Vendors prior to the selection and issuance of an agreement or contract.
13. Vendor agrees to adhere to the Anti-Discrimination Clause included within the contents of this RFP.
14. Bid Security: Bid bond should be based on the total amount quoted on the Services of the Propane Station and delivery in your sealed bid.
15. If there are any questions concerning the Liquid Propane Gas (LPG) Commodity & Delivery Services specifications, please email Kevin DiPoalo, Director of Transportation at kdipoalo@haverfordsd.net prior to the proposal due date.
16. **Please be advised The School District of Haverford Township School Board will not be required to make an award entirely on the basis of the lowest Proposal in dollars and reserves the right to reject any and all Proposals and/or to modify the terms of the RFP to protect the interests of The School District of Haverford Township. In the event such modifications are unacceptable to the selected Vendor, such Vendor shall be released from any obligation to The School District of Haverford Township.**

Liquid Propane Gas (LPG) Fuel Bid Specifications

The School District of Haverford Township is seeking a qualified fuel supplier/vendor/contractor for the District's Liquid Propane Gas (LPG) fuel of **approximately 62** LPG-powered vehicles. The vehicles will be fueled at the M&T Building, 50 Hilltop Rd. Havertown PA, 19083 in Delaware County. The District's total annual LPG consumption for these vehicles is estimated to be 150,000 gallons. The District is also seeking to have its 1,000-gallon propane Tank fueled, which is used for heating the Bus Mechanic Garage.

Fuel supply is a critical element to the District making this "green" alternative fuel program a success and seeks to contract with a qualified LPG fuel supplier to cost-effectively deliver and to manage the LPG fuel supply. The LPG fuel supplier shall recommend and provide vehicle refueling options as determined to be best suited for the specific operating location and the conditions.

The District is looking for prospective LPG fuel suppliers to provide innovative pricing options for the LPG fuel at the bus terminal location.

The qualified LPG fuel contractor's proposal should include the LPG fuel supply. It is the District's desire to possibly lock in the price of the LPG fuel for the 2026-2027 school year. **The qualified LPG fuel contractor should propose a fixed price per gallon for the LPG fuel for the year.**

The qualified LPG fuel contractor should also propose a Rack Price Option (Mt. Belvieu previous day close) in the event the district exceeds 150,000 gallons annually. The Rack Price Option should include any markup inclusive of delivery.

Training & Safety

- The qualified LPG fuel contractor shall supply safety training on the proper handling of the LPG fuel and the refueling of vehicles for drivers and mechanics at the terminal facility as requested by the District.
- The qualified LPG fuel contractor must provide comprehensive driver and fleet team safety and operational education, which must include the following:
 - Extensive LPG fueling training
 - Extensive safety training on vehicles
 - Presentation of Safety training certificate to fleet operators and technicians
 - Provide detailed instructions for safe LPG fueling of a motor vehicle
 - Provide detailed explanation of your organization's standard Emergency procedures for:
 - LPG GAS LEAK PROCEDURES
 - LPG FIRE / EXPLOSION PROCEDURES

Other Requirements

- The qualified LPG fuel contractor will be responsible for ongoing supply management, including:
 - Monitoring of LPG fuel levels and providing auto-replenish order and delivery.
 - Provide supply disruption plan and alternative fueling capability in the event of site outages or natural disaster.
 - Provide customer billing/invoicing and bulk tank inventory reconciliation reports. System must support vehicle-level transaction summary.
 - The ability to provide emergency service for the fueling equipment within **2 hours** of notice.
 - The ability to provide temporary remote filling of fuel should the dispensing equipment be down for more than **4 hours**.

Experience & Financial Strength

- The qualified LPG fuel contractor shall provide documentation of at least THREE (3) years of experience maintaining LPG fueling equipment with a reliable LPG fuel supply.
- The qualified LPG fuel contractor shall provide a list of clients with at least 50 vehicles currently running on LPG.
- The qualified LPG fuel contractor will provide the District with sufficient documentation to satisfy the District that the qualified LPG fuel contractor has the financial strength to satisfy the requirements of the District.

ANTI-DISCRIMINATION CLAUSE
(Section 755, Pennsylvania School Code)

1. In accordance with the provisions of the Pennsylvania School Code, the Vendor agrees:

- a. That in the hiring of employees for the performance of work under this contract, or any subcontractor hereunder, no contractor, subcontractor, nor any person acting on behalf of such contractor or subcontractor, shall by reason of race, creed or color, discriminate against any citizen of the Commonwealth of Pennsylvania who is qualified and available to perform work to which the employment relates;
- b. That no Contractor, subcontractor, or any person acting on behalf, shall in any manner discriminate against or intimidate any employee hired for the performance of work under this contract on account of race, creed or color;
- c. That there may be deducted from the amount payable to the contractor under this contract, a penalty of five dollars (\$5.00) for each person for each calendar day during which such person was discriminated against or intimidated, in violation of the provisions of the contract; and,
- d. That this contract may be canceled or terminated by The School District of Haverford Township, and all money due or to become due hereunder may be forfeited, for a second or any subsequent violation of the terms or conditions of this portion of the contract.

INSTRUCTIONS FOR NON-COLLUSION AFFIDAVIT

1. This Non-Collusion Affidavit is material to any contract awarded pursuant to this BID. According to the Pennsylvania Anti Bid-Rigging Act, 73 P.S. § 1611, et seq., governmental agencies may require Non-Collusion Affidavits to be submitted together with bids or proposals.
2. This Non-Collusion Affidavit must be executed by the member, officer or employee of the Vendor who makes the final decision on prices and the amounts quoted in the proposal.
3. Bid/BID rigging and other efforts to restrain competition, and the making of false sworn statements in connection with the submission of bids or proposals are unlawful and may be subject to criminal prosecution. The person who signs the affidavit should examine it carefully before signing and assure himself or herself that each statement is true and accurate, making diligent inquiry, as necessary, of all other persons employed by or associated with the Vendor with responsibilities for the preparation, approval, or submissions of the proposal.
4. In the case of a bid submitted by a joint venture, each party to the venture must be identified in the bid documents, and an affidavit must be submitted separately on behalf of each party.
5. The term "complementary proposal" as used in the Affidavit has the meaning commonly associated with that term in the RFP process, and includes the knowing submission of proposals higher than the proposal of another Vendor, any intentionally high or noncompetitive proposal, and any other form of proposal submitted for the purpose of giving a false appearance of competition.
6. Failure to file an Affidavit in compliance with these instructions will result in disqualification of the proposal.
