## PLEASE ASSIST

Please note: Families who qualified for benefits the previous year must resubmit a completed "Application for Educational Benefits" form by October 20, 2025 to continue receiving benefits.

Hibbing Public Schools receive additional educational funds for completed and approved "Application for Educational Benefits" form for free or reduced meals.

A large amount of state and federal funds for schools is based upon the number of families that qualify for free and reduced meal programs. The district receives additional funding in Title 1, e-rate technology and basic skills funding when more students qualify for free or reduced lunch prices. Therefore it is important that all parents of eligible students fill out and return an "Application for Educational Benefits" form. The forms are sent home at the beginning of the year with students. Copies can also be picked up at the principal's office or food service office.

A variety of milk available. Lactose reduced milk will be available.

Gluten-controlled lunch & breakfast available.

Additional options are available for secondary students.

The menu contains known allergens including but not limited to: peanuts, tree nuts, soy, seafood, produce, grain and dairy. Please review the menu with allergic family members.

Menu items subject to change without notice.

## BALANCING CALORIES

- Enjoy your food but eat less
- Avoid oversized portions

### Foods to Increase

- Make half your plate fruits and vegetables.
- Make at least half your grains whole grains.
- Switch to fat-free or low-fat (1%) milk.

### Foods to Reduce

- Compare sodium in foods like soup, bread, and frozen meals and choose the foods with lower numbers.
- Drink water instead of sugary drinks.

### Build a Healthy Breakfast

- Students must select 1/2 c. fruit or juice and full servings of two other food groups.

It is our goal to gently encourage students to select well-balanced meals.
