Kindergarten Readiness Skills

THE BIGGEST THING YOU CAN DO TO PREPARE, IS WORK ON DEVELOPING INDEPENDENCE AHEAD OF OUR FIRST DAY

PRACTICE HOW TO SAY "SEE YOU LATER" WHEN WE HEAD TO CLASS ON DAY 1 (BOTH KINDER AND PARENTS)

Kindergarten Readiness

Here are some things that you can work on at home. All of these skills will help your child be successful in school!

Self Help Skills				
 I can use the bathroom and wash my hands on my own.	 I can put on my jacket by myself. (practice zippers and buttons as well.)	 I can tie or fasten my own shoes. (If they cannot tie shoes, please send them to school in Velcro or slip-on shoes.)	 I can open and close my own backpack and lunchbox.	 I can practice opening cartons and packages for snacks and lunches.
Social and School Skills				
123 I can listen to and follow simple 2-3 step instructions. (i.e. "get your shoes and put them on")	 I can sit and focus my attention on a single task for 10+ minutes. (legos, play-doh, coloring books, etc.)	 I can sit quietly and listen to a story.	 I can use basic social skills: wait my turn, raise my hand, say please & thank you, respect personal space.	
Fine Motor Skills				
 I can cut with scissors.	 I can hold a pencil and crayon correctly.	 I am working on coloring inside the lines.	 I can use school materials appropriately (glue sticks on paper, scissors only for paper, not playing with writing tools, etc.)	
Literacy Skills				
ABC I can say the alphabet.	 I can name the letters in my name.	 I can write my first name.	 I can recognize rhyming words.	 I can say my first and last name.
Math Skills				
10 I can count to 10.	123 I can count and tell how many.	12345678910 I can recognize numbers 0-10.	 I can recognize shapes like circle, square, rectangle, and triangle.	 I know all my colors.
