SHARK BITES

MAY 2026

WHERE EVERY STUDENT EXCELS

Once upon a time...

Mrs. Terry had an May message for all:

Greetings Schoeffner Families,

Oh, what a fun and memorable month of April we had at ESE! Our students and staff stayed busy with meaningful learning experiences and celebrations throughout the month. PTO kicked things off with a very successful Spring Fling, bringing joy and excitement to our school community. Our third graders enjoyed a memorable field trip to the Jean Lafitte Swamp Tour, generously sponsored by our PTO, and both third and fourth graders had the opportunity to participate in the Saints, Jr. Training Camp. We proudly celebrated Faculty and Staff Appreciation Week, recognizing the dedication of our incredible team. Students also showcased their talents and school spirit as we selected our 2026–2027 Pep Squad and mascot. We were honored to welcome visitors to our campus during the Expedition Education tour, highlighting the amazing work of our students and staff. Our third graders impressed us with their recorder performances and gained insight into future opportunities in band thanks to musicians from Destrehan High School. In celebration of National School Library Week, students had fun dressing as their favorite storybook characters. We enjoyed a wonderful band and choir concert, celebrated our 4-H Club's impressive third-place overall finish in the district, and enjoyed our end-of-year 4-H celebration. Adding to the excitement, our talented theatre students and Pep Squad energized our students in a pep rally to help prepare and motivate their peers for LEAP testing. Thank you to our families for your continued support and participation in making these events so special!

This month, Mrs. Bradley was named the St. Charles Parish Elementary Teacher of the Year! She will represent St. Charles Parish Public Schools in the state Teachers of the Year program. We are incredibly proud to have Mrs. Bradley represent our school community and deeply appreciative of the dedication, professionalism, and **passion** she brings to our students each and every day at ESE. As one of our Pep Squad sponsors, she also serves as a positive role model, inspiring our students both inside and outside the classroom.

This year, we began introducing the 7 Mindsets across our ESE community - Everything is Possible, Passion First, We Are Connected, 100% Accountable, Attitude of Gratitude, Live to Give, and The Time is Now. Through these guiding principles, our students have learned to believe in their potential, discover their passions, build meaningful relationships, take ownership of their actions, and approach each day with gratitude and purpose. We are already seeing the positive impact as our Sharks continue to grow into confident, compassionate, and motivated learners. We are excited to build on this strong foundation as we move into full implementation of the 7 Mindsets throughout the school day next year.

LEAP testing has begun and will conclude on May 5 for third and fourth graders and May 6 for our fifth graders. Please see the times below that each grade level will be testing. Please do your best to arrange appointments after testing on these days and make sure students arrive to school no later than 7:50.

	April 30 th Math 1 & ELA 1	May 1 st ELA 2 & Math 2	May 4 th Math 3 & ELA 3	May 5 th Science 1 & Social Studies 1	May 6 th Social Studies 2 & Science 2	May 7 th Science 3 & Social Studies 3
3 rd Grade	8:10-10:40	8:10-10:10	8:10-10:10	8:10-10:50	8:10-10:50	n/a
4 th Grade	8:10-10:55	8:10-10:20	8:10-10:10	8:10-11:00	8:10-11:00	n/a
5 th Grade	8:10-10:55	8:10-10:20	8:10-10:10	8:10-10:30	8:10-10:30	8:10 – 10:30

As we close another remarkable school year, we reflect with gratitude on the journey we've shared together. It's been a year filled with growth, learning, and memorable moments, all made possible through the collaborative efforts of our dedicated teachers, staff, students, and parents. While our theme next year will be changing, I continue to challenge our students to continue their journey into learning this summer, as our journey into learning never ends.

What to Know: School Millage Renewal Election

On May 16, voters in St. Charles Parish will consider renewing two existing school system millages. **These are not new taxes**, just a continuation of current funding that supports our local public schools. Notably, one of the renewals is proposed at a **lower** maximum rate than what is currently authorized.

These millages make up a significant portion of the district's budget (36%) and help pay for essential needs like teacher salaries, classroom resources, student programs, school safety, technology, and facility upkeep. In short, they help ensure students continue learning in safe, modern environments with strong academic opportunities and highly qualified educators.

Renewing this funding is key to maintaining the quality of education families expect and the success the district has achieved. For more information about the millages and what's on the ballot, visit wearescpss.org/renewals.

Uniform Sales

All school apparel will be sold through Skippers only. We will have several windows of time throughout the year that uniforms can be purchased. Skippers will deliver the uniforms to ESE approximately two weeks after the window closes. Uniforms will not be available for purchase at ESE or through any other vendor.

The first sale window will be June 1 – July 10. Uniforms **MUST** be purchased within this window in order to have them available for pick up on our Meet the Teacher day, August 6.

A second window will open July 27 – August 27 with delivery expected by the end of August.

Solid navy blue or white polo shirts can also be worn, purchased at stores like Academy, Walmart, Target, Amazon, etc.

NO jackets or sweatshirts with hoods will be allowed on campus beginning the 26-27 school year. This includes ESE jackets that were sold in previous years.

Report Cards

Report Cards will be mailed home on May 26. Included in the envelope will be the school supply list for the 2026-2027 school year.

2026 – 2027 ESE School Supply List

3 rd Grade	4 th Grade	5 th Grade
1 school bag 1 pencil pouch/supply bag (2) 24-ct packs crayons 3 Pink Pearl erasers (1) 200-ct pack wide ruled loose leaf paper 1 red plastic pocket folder with prongs 1 blue plastic pocket folder with prongs 1 green plastic pocket folder with prongs 1 yellow plastic pocket folder with prongs 1 purple plastic pocket folder with prongs 1 orange plastic pocket folder with prongs 1 black plastic pocket folder with prongs 1 marble composition book 2 jumbo glue sticks 4 yellow highlighters 1 pack red pens (6) 24-ct packs pencils 12 fine point dry erase markers 2 packs of 3x3 Post-it Notes 1 pair Fiskar scissors Clear water bottle (top must fully close to prevent accidental spills) Headphones for personal use - prefer one with a microphone (no Bluetooth) - replace if lost or breaks during the year Computer mouse (no Bluetooth) \$20 technology fee (maximum \$40 per family)	1 school bag 1 pencil pouch 1 pack of 50 pencil top erasers 1 red plastic pocket folder with prongs 1 blue plastic pocket folder with prongs 1 green plastic pocket folder with prongs 2 marble composition books (1) One inch binder (4) 24-ct packs #2 pencils (pre-sharpened preferred) 12 black fine point dry erase markers (1) 24-ct pack crayons 1 pair Fiskar scissors 1 pack markers 1 jumbo glue stick 4 highlighters – prefer multicolored Clear water bottle (top must fully close to prevent accidental spills) Headphones for personal use - prefer one with a microphone (no Bluetooth) - replace if lost or breaks during the year \$20 technology fee (maximum \$40 per family)	Headphones for personal use - prefer one with a microphone (no Bluetooth) - replace if lost or breaks during the year 1 school bag 1 pencil pouch/supply bag (1) 1 inch binder (1) 24-ct pack crayons or colored pencils (5) 12-ct packs #2 pencils 12 fine point black dry erase markers 2 Pink Pearl erasers 2 packs of 3x3 Post-it Notes (1) 200-ct pack wide ruled loose leaf paper 2 yellow highlighters 1 red plastic two pocket folder with prongs 1 green plastic two pocket folder with prongs 1 yellow plastic two pocket folder with prongs 1 purple plastic two pocket folder with prongs 1 pack of 3 x 5 lined index cards Clear water bottle (top must fully close to prevent accidental spills) \$20 technology fee (maximum \$40 per family)

School Breakfast/Lunch 2026-2027

Beginning in the 2026/2027 school year:

- SCPPS will return to the traditional meal application process. Applications for Free and Reduced Priced Meals will be available in July 2026.
- The district will no longer provide free meals to all students.

School Year 2026/2027 Meal Prices

	ELEMENTARY SCHOOLS	MIDDLE SCHOOLS	HIGH SCHOOLS	SCHOOL BOARD EMPLOYEES
BREAKFAST	\$1.60	\$1.65	\$1.65	\$2.15
LUNCH	\$2.00	\$2.15	\$2.35	\$3.50

Play Football Experience Brings Energy and Excitement to Our School

Our school recently had the incredible opportunity to host the Play Football Experience, and it was a day to remember! Students were able to step onto the field and participate in a variety of fun, interactive football activities designed to teach skills, teamwork, and confidence.

Throughout the event, students rotated through different stations where they practiced passing, catching, agility, and game-like situations. The high-energy atmosphere kept everyone engaged, and it was amazing to see students of all skill levels jumping in, learning, and encouraging one another.

The experience went beyond just football. It emphasized the importance of staying active, working together, and giving your best effort. Coaches and staff created a positive environment that made every student feel included and supported.

Most importantly, the kids had a blast! Smiles, laughter, and excitement filled the field from start to finish. It was clear that this experience made a lasting impact and created memories our students will talk about for a long time.

We are so thankful to everyone who helped make this event possible and for bringing such a fun and meaningful experience to our school community!

Parent Tip Sheet: Help Your Child Finish the School Year Strong!

As we approach the end of the school year, now is the perfect time to help your child stay focused, confident, and motivated. Here are some simple ways families can support success at home:

★ Keep a Routine

- Maintain regular bedtimes and wake-up times.
- Make sure your child arrives at school on time each day.
- Keep homework and reading time consistent.

📖 Ask About Learning

- Ask your child: "What did you learn today?"
- Have them explain a lesson or skill to you.
- Celebrate progress, even small wins.

📁 Check for Assignments

- Review folders, planners, or online platforms daily.
- Help your child complete missing work.
- Reach out to the teacher if you have questions.

📖 Read Every Day

- Encourage 15–20 minutes of reading each night.
- Read together or discuss what they are reading.
- Let your child choose books they enjoy.

🏆 Encourage Effort

- Remind your child to keep trying and do their best.
- Praise hard work, responsibility, and improvement.
- Help them stay positive during tests and final projects.

🏃 Support Healthy Habits

- Provide healthy meals and snacks.
- Make sure your child gets enough sleep.
- Encourage outdoor play and movement.

🤝 Stay Connected with School

- Read school messages and newsletters.
 - Attend school events when possible.
- Contact your child's teacher with any concerns.

🌟 Finish Strong!

The end of the year is a time to show growth, responsibility, and pride.
Working together, we can help every child end the year successfully!

Counselor Connection

MAY 2026

Welcome to the final stretch of the school year! It has been such a pleasure working with your student this year. As we look toward the sunshine and the transitions ahead, I want to share some tips for keeping them grounded, growing, and ready for what comes next. - Mrs. Pethe

Keeping the "Summer Slide" at Bay

Summer is for resting, but it's also a great time to build Social Emotional Learning skills.

- Mindful moments: Encourage your child to spend 5 minutes a day practicing mindfulness. This can be as simple as doing the 5-4-3-2-1 Grounding Technique: Name 5 things you see, 4 you can touch, 3 you hear, 2 you smell, and 1 you can taste.
- Journaling: Use a notebook to jot down one thing they are grateful for each day.
- Social Connection: Between grades 3 and 5, social dynamics shift. Help your child maintain healthy friendships by having "Tech-Free" playdates that encourage face-to-face interaction over online gaming.
- Routines: While sleeping in is great, try to keep a consistent bedtime to make the transition back in August much smoother.
- Read for Fun: Let them choose the books! Graphic novels, magazines, and audiobooks all count and keep their brains engaged.

Transitioning to Middle School

For our 5th-grade families, the "M-word" often brings a mix of excitement and jitters. Here is how you can support your student during this milestone:

- Validate the "Butterflies": It is normal for students to worry about things like opening lockers, finding classes, or making new friends. Remind them that everyone is new on the first day.
- Here are some tips from Mrs. Chiasson, one of the school counselors at HURST:
 - Stay organized early - Use a planner or agenda daily to track assignments, tests, and activities.
 - Practice independence - Encourage students to take responsibility for turning in work and managing their time.
 - Accept responsibility - Own your choices, complete your work, and learn from mistakes-this is a big part of growing in middle school.
 - Ask for help - Remind students that teachers are there to support them.
 - Build good study habits - Short, consistent study sessions are more effective than last-minute cramming.
 - Get involved - Joining clubs, sports, or activities is a great way to make friends and feel connected.
 - Expect change - Having multiple teachers and classes can feel overwhelming at first, but it gets easier quickly!

ESE Library Summer Reading Challenge

Welcome to the ESE Library's Summer Reading Challenge! Dive into an exciting adventure of reading and fun challenges designed just for you. Complete a row, column, or diagonal to spin the prize wheel at the start of the 26-27 school year. Have fun and enjoy your reading journey! Here's your grid filled with exciting reading challenges. Each square is a new adventure waiting to be explored.

				
Read a book with a blue cover	Read outside in the sun	Read a book about animals	Read to a family member	Draw your favorite book character
Read a poem	Read a mystery book	Read a book that makes you laugh	Listen to an audiobook	Read a non-fiction book
Read a book about space	Read a book with a friend	Free Space! 	Read a book set in another country	Read a graphic novel
Read a book recommended by a teacher	Read a chapter book	Read under a tree	Read a book about history	Read a book with a colorful cover
Read a fairy tale	Read a book by a new author	Read a book about friendship	Read a book with a one-word title	Create a bookmark for your favorite book

Instructions

- Choose Your Challenges:** Pick any challenge from the grid. You can complete them in any order.
- Mark Your Progress:** Use a crayon or marker to color in each square as you complete a challenge.
- Complete a Bingo:** Get 5 in a row, column, or diagonal to achieve a Bingo!
- Celebrate Your Success:** Once you've completed a Bingo, celebrate by sharing your favorite book from the challenge with friends or family.

Enjoy your summer with these delightful reading challenges, and let the adventures begin! Remember, every book is a new world to explore. Happy reading!  

Message from the School Nurse

End-of-Year Health & Medication Newsletter

As we approach the end of the school year, we'd like to share a few important health reminders to help your child finish the year strong and prepare for a smooth start next fall.

 **Medication Pick-Up Reminder:** All medications currently stored at school must be picked up by a parent or guardian.

- Please plan to pick up medications during the **last week of school** (as late as possible so they remain available if needed).
- Any medications not picked up by **mid-summer** (unless prior arrangements are made) will be **safely destroyed**.

Planning Ahead: Medication for 2026–2027

If your child will need medication at school next year:

- A **new medication packet is required each school year**.
- Forms must be completed by both the **parent/guardian and physician**.
- Doctor's orders must be dated **July 1, 2026 or later**.
- Medications must be **properly labeled by a pharmacist**.
- All forms and medications should be submitted to the **School Nurse at the start of school in August**.

★ Need a medication form? Please contact the school nurse. If your child has medication at school currently, a new form will be sent home.

Health Updates Matter

If your child has any changes in their health over the summer, please notify the school nurse at the start of the new school year and provide documentation if needed. Maintaining open communication with the school nurse helps keep all students safe and healthy.

Important conditions to report include:

- Asthma (inhaler/nebulizer use)
- Diabetes
- Severe allergies (EpiPen/Benadryl use)
- Seizure disorders
- Heart conditions
- Special dietary needs (e.g., lactose intolerance, nut allergies)
- Any other medical concerns or special needs

🦋 Immunization Check

Now is a great time to make sure your child's immunizations are up to date:

- Students turning **11 years old** are required to have:
 - Meningococcal vaccine
 - Tdap vaccine
- All students must have **at least 2 doses of the Hepatitis A vaccine.**

Please schedule any needed vaccinations over the summer to avoid delays or possible exclusion at the start of school.

- ✓ Students with an approved exemption on file do not need to submit updated immunization records. However, a dissent must be signed and returned annually to the school nurse by August 31.

Thank you for your attention to these important health reminders and for helping us keep our school community safe!

If you have any questions, please reach out to your school nurse.

Abbie LeRouge, RN, BSN

Safe & Healthy Summer Tips for Elementary Students from the School Nurse

Summer is a time for fun, relaxation, and outdoor adventures! To help keep our students safe and healthy, here are some important tips for families to follow all summer long:

☀ Sun Safety

- Apply **sunscreen (SPF 30 or higher)** 15-30 minutes before going outside.
- Reapply every **2 hours** and after swimming or sweating.
- Wear **hats, sunglasses, and protective clothing** when possible.
- Try to avoid direct sun exposure during peak hours (**10 AM – 4 PM**).

💧 Stay Hydrated

- Encourage your child to drink **plenty of water** throughout the day.
- Limit sugary drinks and caffeine.
- Watch for signs of dehydration such as dizziness, dry mouth, or fatigue.

🏊 Water Safety

- Always provide **adult supervision** when children are near water.
- Teach children to **never swim alone**.
- Use **properly fitted life jackets** when boating or near open water.
- Consider enrolling children in **swimming lessons** if they are not confident swimmers.

🚲 Outdoor & Play Safety

- Make sure children wear **helmets** when riding bikes, scooters, or skateboards.
- Use **protective gear** as needed (knee pads, elbow pads).
- Apply **insect repellent** to help prevent bug bites.
- Check for ticks after playing outdoors.

🍏 Healthy Habits

- Keep a regular routine for **meals and sleep**.
- Encourage **healthy snacks** like fruits and vegetables.
- Stay active with **daily physical activity**.

🐾 Animal & Bug Safety

- Teach children to **avoid unfamiliar animals**.
- Clean any bites or scratches right away and seek care if needed.
- Watch for allergic reactions to insect stings.

🚗 Travel Safety

- Always use a **seatbelt or appropriate car seat/booster seat**.
- Never leave children alone in a car, even for a short time.
- Use caution in parking lots and busy areas.

💊 Medication & First Aid

- Keep medications stored **out of reach of children**.
- Pack a **basic first aid kit** for trips and outings.
- Know how to respond to minor injuries like cuts, scrapes, and burns.

❤ A Note from the Nurse

Wishing all of our students and families a fun, relaxing, and safe summer! Taking a few simple precautions can help prevent injuries and keep everyone healthy.

SCHOEFFNER SHARKS SUMMER FUN!

Keep Learning!

- Read 20 mins daily
- Visit the library
- Practice Multiplication Facts

Get Moving!

- Ride your bike
- Play tag with friends
- Try a new sport

Stay Healthy!

- Drink lots of water
- Eat fruits & veggies
- Get 8 hours of sleep

Have Fun!

- You've got this, superstars!

Fun Ways to Keep Minds Growing

As summer approaches, we want to encourage students to keep their minds active in fun and meaningful ways. Learning doesn't have to look like schoolwork—it can happen anytime, anywhere!

Here are some simple ideas to keep learning going all summer long:

Read every day: Let your child choose books, magazines, or even recipes—anything that keeps them interested and reading regularly.

Make math real: Have your child help with grocery shopping, cooking, or budgeting to practice math skills in everyday situations.

Keep a journal: Writing about daily activities, vacations, or creative stories helps build strong writing skills.

Explore and discover: Visit parks, museums, or try simple science experiments at home. Curiosity leads to learning!

Play games: Board games and puzzles are great for problem-solving, strategy, and critical thinking.

Talk and share: Encourage conversations about what they're learning and experiencing—it builds vocabulary and confidence.

A little bit each day can make a big difference. Thank you for helping us keep the learning going all summer long!
