

ABE WING (GLENS FALLS COMN SD)

Instructional Technology Plan 2026-2029

Status: Approved (04/14/2026 09:52 AM)

Administrator Responsible: Brian George, Superintendent

I. Strategic Technology Planning

District Mission: We are leaders who create, encourage, and learn with pride.

Vision Statement: Students will be successful digital citizens in a global community-prepared for lifelong learning in an evolving technological society.

1:1 Mobile Device Provision: Yes, at the start of the 2026-27 school year, the district will provide a dedicated mobile device for every student in all grades.

II. Goal Attainment

Goal Area	Status
Digital Content: Uses standards-based, accessible digital content supporting all curricula.	Fully
Digital Use: Learners, teachers, and administrators are proficient in tech use.	Moderately
Digital Capacity & Access: Infrastructure supports teaching/learning in all environments.	Fully
Leadership: Aligned with the Statewide Learning Technology Plan vision.	Significantly
Accountability: District-level information is posted, accessible, and understandable.	Significantly

III. Action Plan

Goal 1: Infrastructure and Equitable Access

- **Goal:** Continue to provide stable, equitable access to digital content and secure infrastructure through the end of the 2028-2029 school year.
- **ITP Category:** End User Computing Devices (ex. iPads, Chromebooks, etc.)
- **Target Populations:** All students, Teachers/Teacher Aides
- **Estimated Cost:** \$160,000.00
- **Funding Source(s):** BOCES Co-Ser purchase, Smart Schools Bond Act, District Operating Budget

Goal 2: Innovative Technology Integration

- **Goal:** Enhance student learning through innovative technology integration aligned with NYS Computer Science & Digital Fluency Standards by the end of the 2028-2029 school year.
- **ITP Category:** Instructional and/or Administrative Software
- **Target Populations:** All students, Teachers/Teacher Aides, Administrators
- **Estimated Cost:** \$35,000.00

- **ITP Category:** Other (Community Engagement)
- **Target Populations:** All students, Teachers/Teacher Aides, Administrators, Parents/Guardians/Families/School Community
- **Estimated Cost:** \$0.00
- **Funding Source(s):** District Operating Budget

IV. NYSED Initiatives Alignment

The district's 2026-2029 Instructional Technology Plan builds upon previous progress while incorporating AI literacy, cybersecurity readiness, and digital equity.

- **Student Performance & Support:** The district will ensure that all students have access to computer devices and utilize tools such as Nearpod, i-Ready, and Houghton Mifflin reading. Teachers will utilize data to target instruction and form instructional groups.
- **Classroom Tech:** All teachers will continue to have access to Interactive Whiteboards to present information using digital tools.
- **Digital Fluency:** All students will continue to receive digital fluency instruction both in classrooms and in library instruction.
- **Virtual Instruction:** At the start of the 2026-27 school year, none of our students will participate in a full-time virtual instruction program.
- **Smart Schools Bond Act:** The district does not have an active SSIP.
