This document is not a contract. It is only intended to highlight the coverage of this program. Benefits are determined by the terms of the contract. Any inconsistencies between this document and the contract shall be resolved in favor of the contract in effect at the time services are rendered. All benefits are subject to medical necessity. All day and visit limits are combined limits for both in and out of network benefits. * For non-grandfathered groups, Preventive Services coverage required by the Patient Protection and Affordable Care Act are not quoted herein. Please refer to the United States Preventive Services Task Force (USPSTF) list of items and services rated "A" or "B", the guidelines supported by the Health Resources and Services Administration (HRSA) and the list of immunizations recommended by the Advisory Committee on Immunization Practices (ACIP) for a complete list of services that are covered pursuant to the Patient Protection and Affordable Care Act requirements.
