

Millwood NEWS

Dear Millwood Families,

As we close out another successful school year at Millwood Elementary, I want to thank our students, staff, and families for their hard work and dedication. We are proud of the effort our students have shown so far during SC READY testing, and we appreciate the support and encouragement provided at home and at school. Teacher and Staff Appreciation Week will be celebrated May 4-8. This is a wonderful reminder of the incredible team we have serving our students each day.

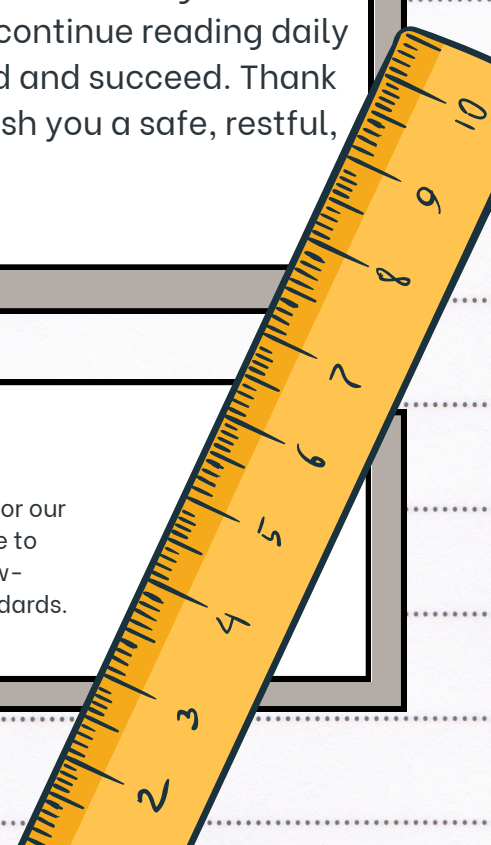

Throughout the month of May, each grade level will celebrate student achievements in meaningful ways—from our 5th grade graduation at Bethesda and kindergarten ceremonies in the cafeteria to special class celebrations in the media center. These moments highlight the growth and accomplishments of our students throughout the year. As summer approaches, I encourage all of our students to continue reading daily and practicing the 7 Habits so they return in the fall ready to lead and succeed. Thank you for being an essential part of our Millwood family, and we wish you a safe, restful, and joyful summer.

Mr. Campbell, Principal

Title I

Millwood Elementary School is a Title I school. Title I is the largest federal aid program for our nation's schools. The primary purpose of Title I funding is to provide financial assistance to school districts and schools with high numbers or high percentages of children from low-income families to help ensure that all children meet challenging state academic standards.
