The Low Down with Mr. Brown

Dear Parents,

The warm weather seems to be upon us, and we are truly finding our groove as we approach the end of the school year. I am incredibly proud of our students as they continue to work hard on their academics while also helping to make our school the best it can be.

Please be sure to mark the following important dates on your calendar:

- **Budget Vote:** May 19
- **Spring Sprint:** May 30

Thank you, as always, for your continued support and partnership. Together, we are making this a successful and memorable year for our students.

Sincerely,

Scott Brown

Principal

★ All Star Moments with Cabarcas ★

We hope everyone had a wonderful and refreshing Spring Break! The sunshine is finally here, and we’re super excited for May. We have some special and secret plans for our Leptondale community! It is sure to be a blast! Let’s keep the PAWS-itive energy going as we head into this final stretch of the school year. We’re also looking forward to our next PAWSitive Student of the Month celebration—stay kind, work hard, and keep showing those PAWSitive behaviors. We’re so proud of all your hard work!

*The PAWS-itive Student of the Month Trait for May is **Ambitious**.* Students who are named PSOM are students who wait calmly for something without getting upset. They are understanding when things take longer than expected.

Austin's Helpful Healthy Hints

Did you know, May is Better Sleep Month ZzZzz. The recommended hours of sleep for children ages 6-12 years is 9-12 hours per 24 hours. Being grumpy isn't the only thing under slept kids can suffer from; they are at a higher risk of developing chronic illnesses. Some tips to help for better sleep are removing screens from your student's room, establishing a bedtime routine, not eating close to bedtime, bathing or showering before bed, and creating a cozy sleep environment.

~Happy sleeping!
