4. Follow the prompts and steps to complete this step of the process for each child you are registering.
5. Once this step is complete, you must complete fee payments online or in person to finalize registration for your children.

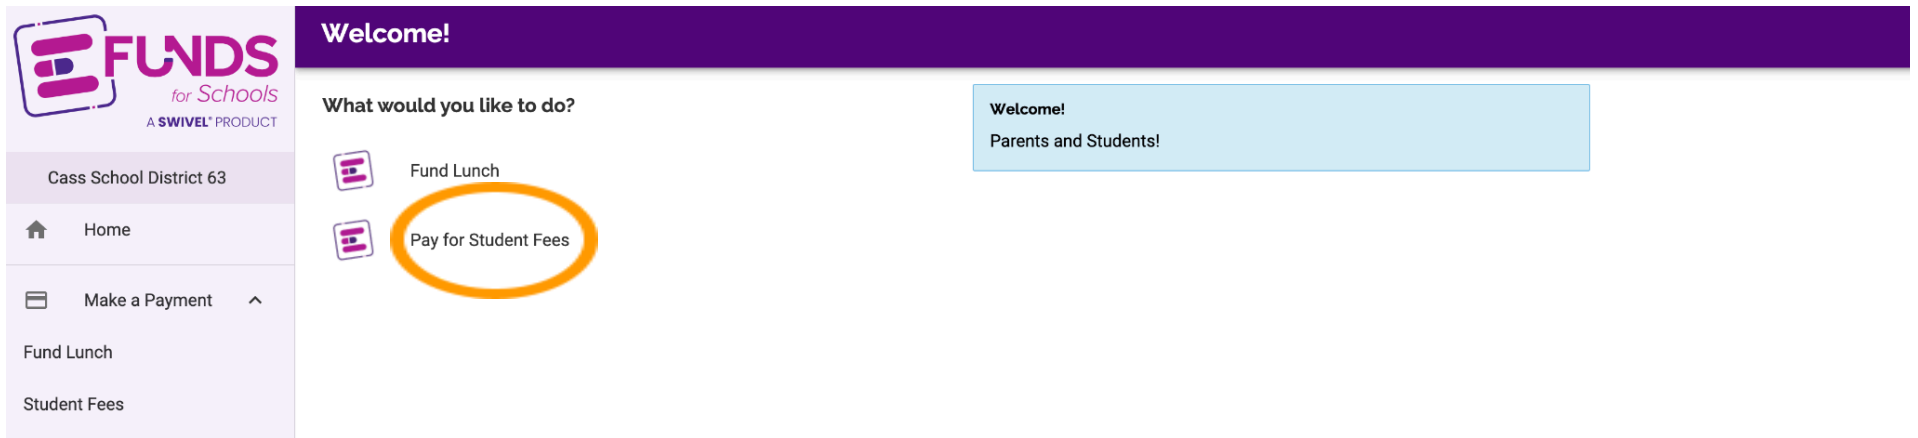

- To complete online fee payments, click on Home in the upper left hand corner.
- Select the *Fees & Fee Payments* Tile.

- As an alternative, you can also click on "Menu" in the top left corner, followed by "Fee Management", and then "Fees & Fee Payments".

10. You will be redirected to *EFunds for Schools*, the district's online payment platform. Select "Pay for Student Fees".

11. Follow the steps to pay the required school fees securely online using a credit card, which can be done for all students you are registering at one time.

If you prefer to avoid the fee or would rather not pay on your credit card, payments may also be made in person at the school or district office by check or with the exact amount of cash. Please do not send cash with students.
