Welcome to the 2025-2026 Eagle season!

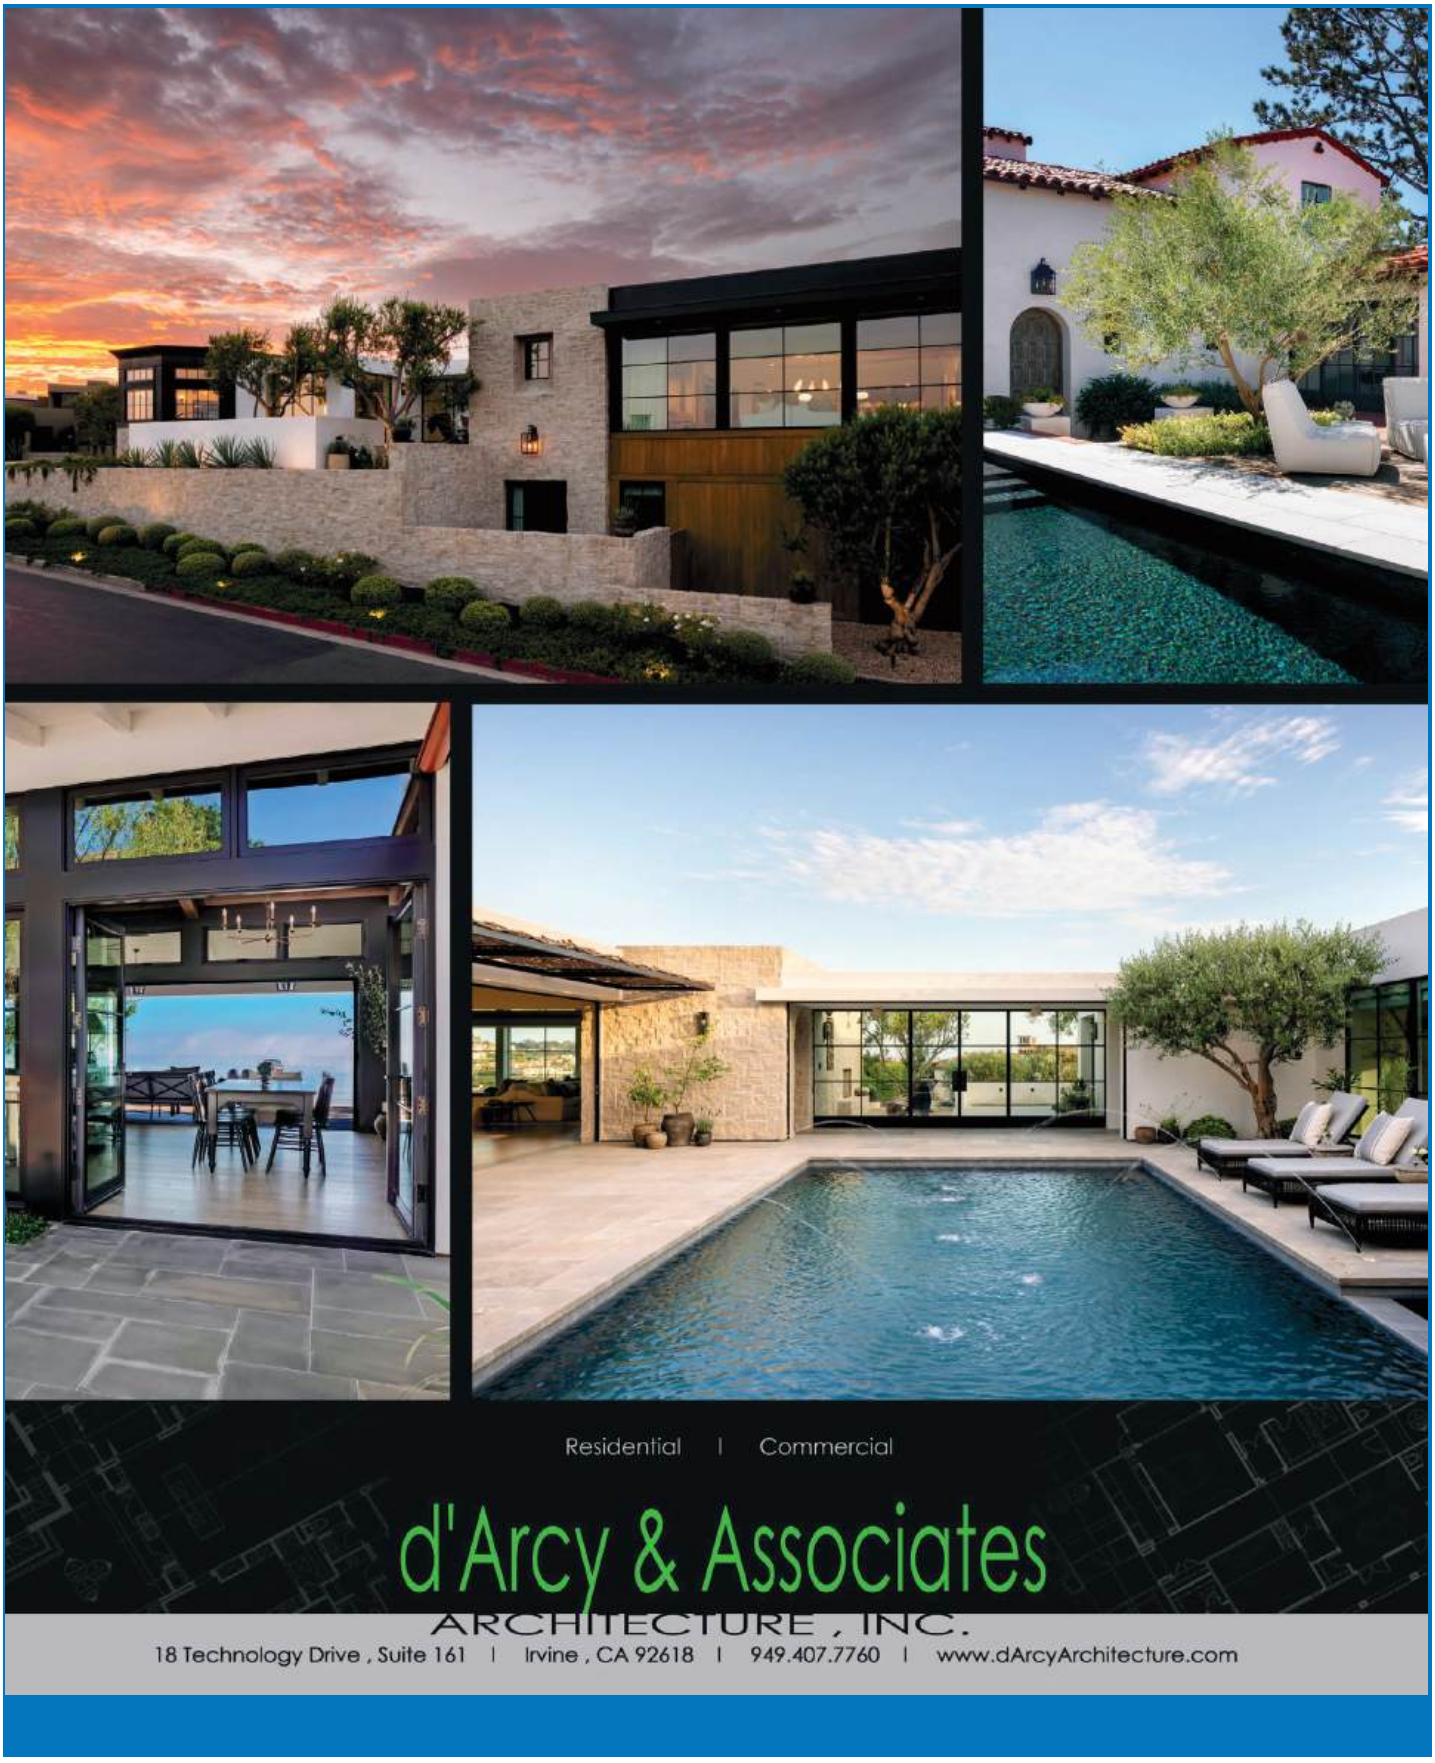

On behalf of the Santa Margarita Catholic High School athletics program, we would like to thank our parents, alumni, fans, and sponsors for their support and patience as we worked to navigate through this unprecedented year.

Our program's mission, first and foremost, is to foster and develop a culture of Caritas Christi – the love of Christ – within each student-athlete. We believe that student participation in Santa Margarita athletics is about more than just development in speed, strength and skill. Our student-athletes are driven to push for excellence in athletics and academics, motivated by pursuing their full potential. This year – more than ever – has been a testament to the strong character, dedication, mental toughness, and resilience of our student-athletes, coaches and staff as they continued to adjust and thrive in the face of adversity during these ever-changing times. We are filled with gratitude that our student-athletes can demonstrate their talents in competition this season. Their work ethic and commitment to living Caritas Christi are to be commended.

We are incredibly grateful for the continued support and overflowing passion shown to our student-athletes and athletic community by parents, alumni, fans, and supporters during these challenging times. Coaches, we thank you for your unwavering love and commitment to our student-athletes and our school. To our student-athletes, your perseverance and dedication to your school and one another continue to amaze us. We are proud to call you Eagle student-athletes and are praying for you as you pursue greatness through spiritual growth, academic success and athletic development. Best of luck to all of our student-athletes and teams! Go Eagles!

Eagles Coaching Staff

Rich Blanc–Head Coach

Coach Blanc begins his 29th year coaching the Girls Varsity and the 27th year coaching the Boys Varsity. In 2025, the Girls Varsity finished with an overall record of 6-0, won its 25th straight Trinity League championship and won the CIF Division I Championships for the 11th year in a row. The team also was named NISCA's National high school champions. The Boys Varsity had a highly successful season finishing with a 8-0 overall record, won its fifth straight CIF Division I title and a top 15 finish at CIF State. Both varsity teams ended the season ranked in the Orange County Register top team. Coach Blanc now has a combined 369-73-3 dual meet record and SMCHS is considered one of the top swimming programs in the nation. In 2000 and 2017, he was named the Orange County Swim Coach of the Year, and in 2014 and 2022, Coach Blanc was named the National High School Swimming Coach of the Year. In addition to swimming, Coach Blanc teaches Economics at SMCHS. He resides in Portola Hills and is married to his lovely bride Taylor and they are raising their cool sons Adrian and Chance.

Ron Blanc–Head Coach

Like his brother, Coach Blanc brings 38 years of swim coaching experience to the Eagles. Coach Blanc coached at Mater Dei for 9 years, winning the 1990 CIF swimming title and a school-record 40 dual meets in a row. Coach Blanc has now coached at SMCHS for 30 years. When Coach Blancs captured the 2000 CIF swimming championship at SMCHS, they became the only coaches in CIF swimming history to win 2 CIF titles at 2 different schools. Coach Blanc has had the privilege of coaching 164 All-Americans and 559 All-CIF swimmers at SMCHS. Since he began coaching at SMCHS, both varsities have been ranked in the Top 10 in the OC Register every year and has won 124 of 150 possible team league titles—a record no team in the Trinity league can match. In 2014, Coach Blanc was named the National High School Swim Coach of the Year and the California Swim Coach of the Year in 2022. He is a Level 5 Certified coach with the ASCA and coaches club swimming at Evolution Racing. He is married to his lovely bride, Kelley and resides in Ladera Ranch with their amazing cats Tucker and Trumpet.

SM swept the 2025 Girls and Boys CIF Championships—the 5th in a row for the Boys, and 11th in a row for the girls.

Renee Blanc-Supernaw—Head Coach & Girls JV Head Coach

Coach Supernaw returns for her 29th year coaching the Eagles Junior Varsity. In her 28 years with the Eagles, Coach Supernaw has compiled the most impressive record of any junior varsity swim team in California. She has coached the team to a 200-16 overall record and has guided her swimmers to break 117 lower level school records. Her JV team in 2025 won its 25th straight Trinity League championship, unprecedented in league history, going undefeated in league (3-0) and 6-0 overall. Coach Supernaw's teams have built a reputation as the best junior varsity girls program in California state history. 190 of her swimmers have won individual league titles in 25 years. Coach Supernaw teaches math at SM & enjoys making lemon squares and is married to the love of her life, Shaun and lives in Ladera Ranch with their incredible daughter Kayla Marie.

Eagles Coaching Staff

Christian Macias–Boys JV Head Coach

Santa Margarita is blessed to welcome back Coach Christian Macias. Coach Macias led the 2025 JV Boys swim team to the Trinity League title, going 8-0 overall, his 2nd league title in a row. Coach Macias' team has set 11 school records, 10 league records, and won all 22 events at League finals. Coach Macias began his swimming and polo career at Mission Viejo HS and took his polo playing career to the U.S. Naval Academy and UCI where he was named a CWPA All-American. Coach Macias coached at Power Aquatics, OC Water Polo, and Trabuco Hills high school where he was the varsity assistant coach and head coach. Coach Macias has coached water polo at Santa Margarita Catholic high school since 2018 for both the girls and boys teams and teaches English at SMCHS.

Kristen Zepeda–Boys Open Head Coach

Santa Margarita is honored to see Coach Kristen Zepeda return to the coaching staff and will helm the Boys Open. Coach Zepeda previously was the boys Junior Varsity coach at SMCHS where she oversaw a program that won 4 of 6 Trinity League championships from 2018 to 2023. During her time as the Boys Junior Varsity Head Coach, her teams had a combined 31-6-1 overall dual meet record. Before coaching at SMCHS, Coach Zepeda swam with the Mission Viejo Nadadores and went on to play water polo at Texas Christian University. She was the Girls Head Water Polo coach and Boys Head Swimming coach at Trabuco Hills HS for three years. Coach Zepeda works in the English department at SMCHS and resides in Newport Beach with her beloved dog, Billie.

Jordan Shoemaker–Girls Open Head Coach

After a spectacular debut with a championship season in 2025, Coach Jordan Shoemaker returns to the Eagle coaching staff. In 2025, Coach Shoemaker led the Girls Open to a 3-0 league record and 6-0 overall record and the 2025 Trinity League title, the 22nd league title in school history for the Girls Open. Her girls won 7 of 10 league events at the 2025 league championships. Coach Shoemaker is a well-respected coach who coached swimming and water polo at Tesoro and San Clemente high schools before SMCHS. Coach Shoemaker teaches in the math department at SMCHS and brings dedication and passion to teaching and coaching. Coach Shoemaker lives in San Clemente with her husband and is fond of running half-marathons for fun.

Jackson Nigro–Boys Assistant Coach

The Eagles swim team is proud to welcome new assistant coach Jackson Nigro to the coaching staff. Coach Nigro is no stranger to the Eagles as he is a Santa Margarita graduate from the Class of 2025 and a four year member of the Santa Margarita swim team. Coach Nigro swam competitively for Evolution Racing during his high school years and was an award-winning swimmer for the Eagles during his tenure at SMCHS. Our team is blessed to have Coach Nigro work with our team in the weight room during our swim and dive team dryland workouts and have him assist on the pool deck with the team's Junior Varsity squads. Coach Nigro was one of the hardest workers in the weight room when he was a member of the team, so it is fitting that he is coaching during dryland this year.

Jim Robison–Girls Assistant Coach

Our newest member of the Eagles coaching staff has one of the most storied coaching histories in Orange County swimming, and has a direct connection to the success the Eagles swim team has seen over the past 30 years. Coach Robison got his coaching start at Mater Dei High School when he was named the inaugural head swimming coach for Mater Dei when the school first started its swim team in 1983. Coach Robison coached at Matter Dei and then at Santa Ana High School for many years. Coach Robison was the first swim coach to not only guide Coach Rich and Ron Blanc, who swam for Mater Dei under Coach Robison, but he also hired Coaches Blanc as assistant coaches for Mater Dei back in 1988. Coach Robison currently teaches in the SM Theology department.

Boys Varsity Preview

The recent run of success for the Boys Varsity has been an accomplished run winning the past five CIF titles. However, as impressive as our previous run, the 2026 version of the Eagles Boys Varsity may go down in history as the deepest boys swim team in SM and Orange County history.

Talent oozes in each class, especially with the seniors. **Drew Calhoun** has been on a tear these past 3 years. An outstanding distance swimmer, Drew qualified for CIF last year in the 500 free, his first CIF swim. Another senior who has risen from the JV, **Parker Coombs** has steadily improved from one year to the next. Parker has split a 21.2 50 free and a 52 100 fly—both in range of scoring at CIF. **Adam Cuthbert** has grown into one of the top sprinters in the state. Recently signed with the University of Pacific, Adam's PR of 21.1 in the 50 free would score at State. **Carson Eich**, who has signed with Pomona Pitzer, quietly developed into one of the fastest sprinters in the State. His 50 and 100 freestyle swims early in his senior year have already hit personal bests, and those were unrested swims too. **Sonit Joshi** is capping is incredible high school career by signing with Case Western Reserve University. Sonit is a three time CIF qualifier in the 100 breaststroke and brings passion and leadership to the team. Xavier signee **Bennett Korner** is Mr. Sprint Versatility as he set PR's in December in the 100 distance of every stroke discipline. Chasing the magical sub :20 barrier in the 50 free, Bennett will break the school record and win a CIF title with a :19. **Darren Nguyen** has been a fixture on varsity since his freshman year. After signing with Claremont McKenna, Darren looks to repeat his CIF State qualifying swims and set a school record as a member of the medley relay team. Newcomer transfer **Sam Zhou** is anticipating this debut with the Eagles. A Claremont McKenna signee, Sam scored at State last year and has the talent to do the same this year in the back and fly.

The Junior class is supremely talented, but what makes this class unique is how much they have improved from last year. **Jeffrey Chang** is a great example of that improvement and is now a threat to score at State. Jeff is a freestyler with range up to the 500 but specializes in the 100 (46.1) and 200 freestyles (1:39). **Luke Collins** may be the best 500 freestyler in the state not named Luca. Training with Sandpipers of Nevada, Luke committed to The Ohio State University and has Olympic aspirations. No one has improved his "draft stock" as much as **Tyler Lee** and he is now receiving attention from colleges nation-wide. Tyler has been on fire these past two years posting blistering 45.5 and 1:39.1 freestyle times that would earn him State qualifying swims. A shocking varsity promotion was earned by **Ben Patterson** at the Pentathlon. He has earned that placement with speed in the fly and back that can reach All-American times and state finals. **Ben Stafford** is coming off his junior year where he earned a CIF swim from the JV. Now on varsity, Ben wants to score at CIF and can do so in events like the 500 free and 100 back. One of the most talented swimmers in California, **Taylor Thongintra** recently committed to Northwestern University. Owning a club time in the 100 breast faster than the current SM school record, Taylor broke 1:50 in the 200 IM and is an improving sprinter.

The best freshman class in the State is now the best sophomore class in the state. **Amir Ali** is as talented as swimmers come as a prolific IMer and distance freestyler. Amir made the championship final in the 200 IM at CIF and swam at State too in 2025 during his freshman year. **Nicholas Chen** broke the 1:00 mark in the 100 breast and is now a threat to make CIF and score at CIF finals. He boasts a sub-2:00 IM and sprinter speed in the 50 that makes Nicholas a valuable member of the team. **Brahman Davis** transfers in from Hawaii and brings a plethora of swimming events that can earn him a ticket at CIF. From a 4:39 500 free, to a 1:53 IM, Brahman can't wait to let his presence be known on the team. Already one of the top breaststroke swimmers in the nation, **Aaron Deng** is branching out the IM and distance freestyles. A hardworking athlete with a bright future, Aaron is taking the next step this year to state dominance**. Matthew Ding** has returned and is better than ever! Matthew made CIF in his varsity debut in 2025 in the breaststroke and is hungry for more. Few work harder and are more driven on the team than **Kenny Dodge**. A pure sprinter, Kenny has seen personal bests in the 50, 100, 200, and 500 freestyles this past year and has the goal to contribute to the team scoring at CIF and State. Another swimmer moving up to varsity from JV is **Caleb Lee**. Caleb looks to take advantage of the opportunity to make his mark and score at CIF in the fly where he owns a 52.7 PR. **Ryan Lezak** is forging his name as one of the best all-around freestylers in Orange County. Ranging from a 21.8 50 free split to a 4:41 500 freestyle, look for Ryan to take another leap forward in 2026. **Rowan Yoo** continues on his path of improvement, especially in the freestyle events. Sporting range up to the 500, Rowan is a threat to make CIF in multiple events.

The freshmen are ready to rumble and have the makings of the top freshman class in the state. **Liam Chung** is a backstroke specialist who can also swim fly and free. Liam's best time in the 100 back (52.3) would have scored at CIF last year, but his goal time to go a 49 in the 100 back would place him in State finals. **Andy Lee** surprised all with his rapid development in the fly dropping a 51.7 at Spring Sectionals. Andy is following in his brother's footsteps but making his own path towards CIF in his freshman year. **Baron Marshall**, or shall we say the legendary Baron Marshall, is already making waves with his monster 500 free at Sectionals going a 4:31.9. Poised as one of the top 500 freestylers in the State and the fastest 9th grader in the event, Baron has an unlimited future. Who would have thought at a freshman could go a 1:39 in the 200 free before the high school season? Well, that's **Derek Shen** who is already one of the top sprint freestylers in the country. **Aaron Tang** has dropped his personal bests in the fly, back, IM, and freestyle events since September. Aaron has the gifts to be one of the best swimmers in the state when he is done with high school.

Girls Varsity Preview

12 seniors graduated from the 2025 Girls Varsity. All are swimming at D-1 universities, so the natural inclination is to think that the 2026 team will take a step back. Before anyone writes off this year's team, beware…the Eagles are hungry and can't wait to see what the 2026 season brings!

The Eagles Dive team is made up of 5 girls who are ready to represent SM! **Mackenna Hall** (junior) qualified for CIF in 2025 and is the highest returning scorer at CIF for SM Diving. School and team leader **Samantha Whitton** (junior) returns for her third year and is a multi-year CIF qualifier. Three freshmen add their talents to the team. **Kylee Costello**, **Alyson Nguyen** and **Agnes Whalen** all bring club diving experience to the Eagles.

The senior class has seen a string of championships in their first three years and now want to lead their own. **Hannah Campbell** signed with San Diego State and will graduate from SM as one of the top distance swimmers in school history. Hannah started her SM career on JV but has worked hard to improve and made All-American and State finals in the 200 free last year. **Emerson Kavelaars-Eakins** has a story of triumph qualifying and scoring at CIF in the 50 free from the JV team in 2025. Now permanently on varsity and a team captain, wants to repeat her CIF performance and take the next step. Another swimmer who not only is making the move from JV last year but is poised to have one of the most dominant sprint seasons in school history this year is **Angela Lim**. Angela adds a :55 100 fly to her 23.8 50 free and is aiming for a :22 in the 50 free. Team tri-captain **Kali Rankin Zelada** is a distance swimmer with a CIF 500 free as part of her experience. The team will rely on her leadership this year. Rising from the JV is **Reese Salazar** who earned CIF consideration times in the 500 free the past three years. Already surpassing her PR in the 500 by 3 seconds at Spring Sectionals, Reese has the skills to garner a CIF spot in 2026. Quiet but powerful in action, **Sophia Zhu** is a fierce competitor. She has signed with Johns Hopkins and has been a double-event CIF qualifier in each of her first three years with the Eagles.

The junior class moves up into a position of leadership. **Emily Atienza** takes the move up from JV to varsity in stride as a freestyle sprinter, breaststroker, and IMer. Emily is mere tenths away from scoring at CIF in the 50 free. **Katie Brown** has found rejuvenation in her junior year with PR's in the 500 free and 200 IM already in the books from earlier this year. A serious contender to make CIF in multiple events this year after swimming the 500 free at CIF the past two years. **Allison Leung** is the 5th swimmer earning a promotion from JV to varsity and will provide invaluable depth in the IM, fly, breast, and sprints. Allison is working incredibly hard to make a splash at CIF this year. **Sydnie Massucco** is a sprinter to the core and is focused on improving her :24.65 50 free. Sydnie's 100 free is much faster than last year and may surprise her with how fast her 100 will be at season's end. **Eileen Song** has taken the next steps to be one of the strongest all-around swimmers in the State. Eileen has times that can place in the championship final in Clovis and will be a major college recruit. **Vivian Taylor** makes breaststroke look easy with her powerful technique. A multi-event CIF qualifier, Vivian was also voted by her teammates as a team captain.

The Super Sophs are small in number but mighty in deed. **Valentina Delgado** raced to a pair of CIF State swims in her freshman year. She also won a CIF and state title as a member of the victorious 4x100 free relay and is now a :23 50 freestyle relay splitter. **Daniela Scott** knows butterfly and is a junior nationals qualifier in the 200 fly. Her range in the fly extends to the 50 where she has already split a :24.35 on a medley relay. **Zoe Xiao** is recovering from a knee injury but the team is looking forward to her healthy return where she again will dominate in the IM. **Nicole Yang** has CIF speed in the 100 breaststroke and will be a competitive force in that event. Her IM times are also dropping and she just posted a PR of 2:13.50 at the Mt. SAC Winterfest. **Serena Ye** has always been a swift backstroke artist but is developing into a freestyle sprinter and IMer. Serena was only one of a handful of freshmen to qualify for a CIF championship final in 2025 (100 back).

Several freshmen make their debut with the Eagles and will be counted upon to contribute immediately. **Lauren Barnett** possesses the versatility in multiple events to help the team. A free sprinter and improving flyer and breaststroke swimmer, Lauren has the abilities to make CIF in the free sprints**. Charlie Chamouille** brings years of club experience to the team. Her speed in the backstroke and butterfly events in particular are CIF worthy and can contribute points towards a team championship**. Shelly Li** is a freestyler and butterflier who is just discovering her talent in the 500 freestyle. With time and training, Shelly can see her talents translate into CIF times. **Rylee Neth** is a breaststroke specialist who dabbles in the fly and IM. A Sectionals qualifier in the breaststroke events, her best time of a 1:07.8 can be a scoring swim at CIF. **Haylee Pramono**, the #9 ranked recruit in the nation in the Class of 2029 (according to SwimIntel.com) is just 0.5 away from crushing the 2:00 barrier in the 200 IM. A nationally ranked 200 breaststroke swimmer as well, Haylee has no limits with how fast she can swim. **Jillian Wright** is improving her distance freestyle swims by leaps and bounds and is threatening to break the 5:00 mark in the 500. Doing so will earn Jillian an invitation to the State Championships.

Varsity Profiles

EMILY ATIENZA — JUNIOR

Best Events	100 Breast	50 Free	200 IM
	1:07.93	:24.91	2:11.13

Profile:

Girls Varsity

Emily Atienza is aiming for CIF swims.

Senior **Angela Lim** is ready to be a star this season.

Eileen Song qualified for State in 2025 and is vastly improved in 2026.

Nicole Yang is a 1:06.70 breaststroker.

Junior **Allison Leung** has CIF potential in multiple races.

Girls Varsity

Daniela Scott has an All-American swim in her sights.

Sophomore sensation **Serena Ye** blasts off.

Freshman **Jillian Wright** is going after a sub-5:00 500 free and a State invite.

Sophia Zhu wants a breakout season in '26.

Valentina Delgado won a State title in the 400 FR.

Boys Varsity

Sophomore **Aaron Deng** is a top breaststroke star.

Senior **Sam Zhou** will wow at CIF finals.

Junior **Ben Stafford** qualified for CIF from the JV last year and wants more in 2026.

Rowan Yoo is focused on making CIF in '26.

Drew Calhoun is a CIF veteran in the 500 freestyle.

Boys Varsity

Freshman **Aaron Tang** is an expert in the backstroke.

Soph **Kenny Dodge** is much improved in the sprints.

Freshman sensation **Baron Marshall** is already making waves with his distance swims.

Senior **Sonit Joshi** is a triple CIF qualifier.

Jeff Chang is set to explode on the swimming world.

Times to qualify for the CIF State Championships must be obtained at CIF Section championship meet finals.

Freshman sensation **Derek Shen** targets a CIF State bid in his first year with the Eagles.

CIF State Hall of Fame

CIF State Hall of Fame

Girls Junior Varsity

Chloe Garcia has already swam a 500 CIF time.

Hannah Kim is set to break 1:00 in the fly and back.

Sophomore **Lulu Dilao** was a league finalist in 2025 and a CIF threat in the back.

Katia Abolfathi outworks her competition in the fly.

Frosh **Amira Kospanova** will dazzle in the fly and back.

Boys Junior Varsity

Jack Baldwin earns the promotion to JV and swim IM.

Luke D'Arcy wants to go sub-5:00 in the 500 free.

Senior **Zakari Huey-Nazareno** has been a stalwart team leader in all four years with the Eagles.

Jack Zhang is a promising breast and sprint swimmer.

Ramsey Faucette is set to make his mark in the 500.

Girls Open

Cate Robinson is a threat to make league finals in the sprints.

Gloria Zhou is the ultimate team player.

Sophia Pomares brings water polo athleticism to the team and fast free sprints.

Janine Cao qualified for league finals in 2025.

Grace Kim is an all-around swimmer for the team.

Boys Open

Charles Duan is a star on the rise in all events.

Sean Kwon brings heart and speed to all his races.

Logan Brake is on a mission to become the best swimmer he can be and the best teammate.

Luke Lagumbay aims for the league breaststroke record.

Albert Zhou is a rising star for the Eagles..

Boys JV and F/S Preview

After sweeping all three levels of boys at the 2025 Trinity League championship, expectations are high for the 2026 season. While the 2025 boys Junior Varsity and Open teams accomplished much, it is not a far statement to say that the 2026 team is even more talented and deeper.

Several seniors lead the JV and Open teams and set the standard for the younger swimmers to follow. **Chris Allen** work as hard as anyone and owns times in the breaststroke and distance freestyle to challenge CIF times. **Zakari Huey-Nazareno** is a :22/:49 freestyle sprinter who can also swim IM, distance and backstroke. **Luke Lagumbay** challenges himself each day at practice to work hard and improve his swims, especially in his specialty—breaststroke—where he is the class of Trinity League. **Young Zhang** is a versatile talent who can earn CIF qualifying times in every event on the high school swim schedule.

The Junior class is filled with students who boast CIF times as well as a work-ethic that is expected at SMCHS. **Jack Baldwin** moves up from the Open and will swim fly and IM at a championship finals level. **Luke d'Arcy** has made such progress in his swims that he can win a league title in almost any event he is entered in. **Nicolas Franco** joins the team for the first time in 2026 and has already broken 1:00 in the 100 freestyle. **Tyler Kooman** swims the challenging back-to-back double in backstroke and breaststroke but is an emerging freestyle swimmer. **Ozan Kose-Montoya** brings a steady influence on the team through his leadership and skill in the breaststroke. **Preston Kwon** is a :52 flyer and :22 50 freestyle sprinter that has range to the 200 IM. **Pablo Ramirez** has enjoyed a productive off-season where he is now a JV league finalist threat in the 500 free and 100 backstroke. **Chase Ryan** makes his presence known on the team with his quick butterfly times and all-around freestyle swims. **Louis Sheng** sports a :54 backstroke swim and is one of the key members of the school's robotics team. **Nyle Wolf** is the heart and soul of the JV team and leads by example in practice and at meets. **Thomas Yu** has league-title ability in the butterfly no matter what level he swims on. **Thomas Zhu** has been diligent in the weightroom which has translated into strong swims in the fly and free.

The sophomore class takes its success from 2025 and applies it to the new season. **Kevin Liang** had an impressive season debut at the Capo Relays and is ready for a fast season in 2026. **Ray Sun** is back for more this year and the coaches are excited to see his potential take the next step this year. **Griffon Yraceburn** and his twin **Preston Yraceburn** join the team in their sophomore years ready to learn and take what they have picked up to power them through freestyle events.

The freshman class drips with speed and potential and represent the future of the program. **Weston Bagley** is a 6'2" freshman with a world of potential in the freestyle events. **Logan Brake** started his competitive swimming career this school year and has already broken a minute in the 100 freestyle. **Benjamin Bynon** brings enthusiasm to the team that is contagious—look for speed in the freestyle events for Benjamin. **Charles Duan** is perfecting his breaststroke technique and will threaten school and league records in the 50 breaststroke. **Ramsey Faucette** has already posted a 4:45 in the 500 freestyle which already surpasses the CIF consideration standard. **Kevin Kang** is a beast in the weightroom and his strength naturally lends speed in the butterfly event. **Sean Kwon** has already swum PR's in his races and this is on pace for a spectacular showing at League finals. **Michael Miller** saw his brother Joey become a fixture with SM swim and now wants to do the same in his own high school career. **Jude Neppl** brings water polo experience to the sprint freestyles and breaststroke events. **Ben Qiao** never complains but works hard to become the best swimming version of himself each day. **Cadel Salazar** is a gifted distance swimmer who can break 5:00 in the 500 in the near future. **Xavier Stafford** has pleasantly surprised the staff with his explosive speed in the freestyle events. **Peter Zhang** has improved from a 1:12 in the 100 breast to a 1:04 and is a consummate student of the game perfecting his stroke technique. **Jack Zhang** already blasted a :22.7 50 free in his freshman season and will aim for CIF time standards and league titles this season. **Albert Zhou** specializes in the backstroke and has the ability to win league titles in almost ever event on the swim schedule.

Girls JV and F/S Preview

Winning Trinity League titles should never be taken for granted, and when they do happen, those occasions should be celebrated. The Girls JV and Open teams were part of a 6-level sweep of all team league titles in 2025, still a feat no team in the Trinity League has ever accomplished other than SMCHS. The team in 2026 is poised to continue the Eagle tradition of excellence…but we won't take that for granted!

The senior class has seen their share of championships and the small but mighty class now leads in their fourth year in the program. **Alea Gauthier** makes the move to Junior Varsity after dominating on the Open in the backstroke and sprints and is swimming faster than she ever has. **Kathy Yu** may own the best underwaters which translates into success in the backstroke and butterfly events. **Janine Cao** made the championship final in the 50 breaststroke on the Open last year and will help the team in that event and the freestyle events this year. **Samantha Elizarraraz** owns the mid-distance freestyle events and can throw down a butterfly race too.

The junior class makes up a critical part of the program. **Bethany Mader** specializes in the breaststroke event and has the skills to take on the 200 IM as well. **Sophia Mader** can handle any freestyle distance on the meet schedule and has IM versatility too. **Jaylin Nigro** just posted a 1:12.01 in the 100 breaststroke at the Mt. SAC Invite—a lifetime best and a result just outside of CIF qualifying. **Makena Corris** returns for her second year with the team and will race the freestyle events for the Eagles. **Cate McDonald** is a talented freestyler who can range from a 50 sprint to a mid-distance 200 freestyle. **Gloria Zhou** may be on the quiet side, but she is a fierce competitor, especially in the breaststroke and IM.

The sophomore class has a rich history of success and many swimmers looking to grab a CIF spot at the end the season. **Katia Abolfathi** is emerging as a butterfly ace and has already split her fastest 50 fly (:28.66) at the Capo Relays. **Lulu Dilao** is known for her speedy near CIF 100 backstroke, but is a sub-1:00 100 freestyler and strong IMer as well. **Chloe Garcia** just earned her gold SM cap with a stellar performance in the 500 freestyle at the Mt. SAC Winterfest. **Grace Kim** will be a major contributor on the Open in her second year with the Eagles especially in the freestyle sprints. **Hannah Kim** made 2 finals at the varsity level Mt. SAC Winterfest in the 100 butterfly and 100 backstrokes. **Linda Lin** joins the team for the first time and is learning all four strokes and finding her role with the team. **Mia Morse** is a rising talent who can claim league titles in the butterfly, IM, and freestyle events. **Trisha Patel** played on the SM volleyball team and is trying swimming for the first time. **Alana Siluk** made the championship final in her specialty, the 50 breaststroke and now wants to expand her repertoire to other events. **Gwyneth Stanisai** accomplished the challenging back-to-back double of winning the 50 back and 50 breast at the 2025 Trinity League championships.

Several exciting freshmen join the Eagles and point to a bright future. **Barbara Bitton** has gone from a 1:18 backstroke to a 1:07 since September and can make league championship finals in two events. **Mikaela Chien** has CIF speed in the backstroke and aims to garner her gold SM swim cap. **Amira Kospanova** is one of the league's top butterfly prospects and is improving her freestyle sprints too. **Audrey Leung** brings CIF speed in the 100 backstroke too and is set to break 1:00 in that event which could score at CIF. **Jaya Mayorga** is a pure distance swimmer and voluntarily and joyfully joins the distance lane for training. **Summer Pesce** starts out her swimming career with enthusiasm and energy. **Sophia Pomares** has the athleticism from water polo to lead her to greatness in the breaststroke and freestyle sprint races. **Cate Robinson** is a water polo player whose talents reach swimming, especially the freestyle sprints. **Monique Samaan** embarks on her swimming career joining the Eagles. **Lucy Spinello** is so versatile, she has talent to swim every stroke at every distance and reach a CIF time standard. **Morene "Momo" Tan** keeps improving and can handle any freestyle distance plus breaststroke. **Jessica Zhang** shocked the swimming world with a :24.70 and a :53.95 freestyle sprints at the Mt. SAC Winterfest, placing her within range of swimming at CIF this year.
